American Foxhound baby    *American Foxhound Dog. American Foxhound Dog Complete Owners Manual. American Foxhound Book for Care, Costs, Feeding, Grooming, Health and Training.* George Hoppendale, Asia Moore, 2015-12-02  
Written by an expert dog whisperer and dog owner the American Foxhound Complete Owner's Manual has the answers you may need when researching this large and friendly fox hunting hound dog. Learn about this very high energy purebred and find out whether or not this sweet natured and independent hunter will be the best choice for you and your family. Learn everything there is to know including little known facts and secrets and how to care for every aspect of the American Foxhound's life. This manual contains all the information you need from birth to the Rainbow Bridge including transitioning through house breaking, care, feeding, training and end of life so that you can make a well informed decision about whether or not this dog is the breed for you. If you already have a American Foxhound this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co Author Asia Moore is a professional Dog Whisperer, Cynologist and Author living on Vancouver Island off the west coast of British Columbia in Canada who believes that all humans and dogs can live together in harmony. She and her dog whispering team which includes an 8 year old Shih Tzu named Boris teach dog psychology to humans to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress free life together. Covered in this book: Temperament, Pros and Cons, Vital statistics, Before you buy, Choosing the right dog, Finding a breeder, Puppy proofing your home, The first weeks, Health and common health problems, Medical care, safety, Daily care, Feeding, Bad treats and snacks, Good treats and snacks, House training, Grooming, Training, Poisonous Foods, Plants, Caring for your aging dog and much more.    [The American Foxhound: A Complete and Comprehensive Beginners Guide To: Buying, Owning, Health, Grooming, Training, Obedience, Understanding](#) Michael Stonewood, 2019-03-14  
The American Foxhound is a breed of dog that has a similar ancestral background to the English Foxhound. The breed was developed to be a scent hound with the primary focus of hunting foxes on their scent alone. The breed is known to have originated in the states of Maryland and Virginia and is still the state dog of Virginia. The breed has a very musical and loud howl that can be heard for miles. This aided in the dog's desirability as a scent hound. However, it also means that the American Foxhound is not suited well to city living due to the fact that its howl is likely to disturb neighbors. The breed has a close, hard hound coat of a medium length. There are no standardized colorations for the American Foxhound as the breed was developed for practical hunting purposes rather than aesthetic purposes. However, the most common coat colorations are white, tan, and black. The breed is known to be docile, affectionate, and loving. They make perfect pets for households with small children and other small animals. The breed is known to be wary of strangers at first but will warm up to people quickly. The breed is highly energetic and will need to be exercised properly to avoid them developing any destructive, hyper active habits due to an

abundance of energy Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle household and financial status are suited to provide your pet with the best possible care This guide has been designed to provide you with both precise and concise information about a American Foxhound s basic needs to help you provide your pet with the best quality care practices This guide will give an in depth explanation on training your American Foxhound raising your American Foxhound from a puppy grooming health care and everything in between The American Foxhound A Complete and Comprehensive Beginners Guide to Buying Owning Health Grooming Training Obedience Understanding and Caring for Your American Foxhound by Michael Stonewood is the perfect purchase or gift for a first time American Foxhound owner This guide includes sections on caring for a puppy breeding health care training the basic cost of owning an American Foxhound and much more This book is the second edition the first edition was published by Dog Care Professionals
