The Oxford Handbook of the British Musical Robert Gordon, Olaf Jubin, 2016 The first comprehensive academic survey of British musical theatre from its origins. The Oxford Handbook of the British Musical offers both a historical account of musical theatre from 1728 and a range of in-depth critical analyses of key works and productions that illustrate its aesthetic values and sociocultural meanings.

The History of Rock and Roll Stuart A. Kallen, 2012-05-09 Rock and roll Those three words are understood by people in almost every nation on Earth. They describe a type of music and an attitude that made history and continues to change the musical landscape. Readers will learn that the music style started out in the United States as a new type of dance music for teenage baby boomers during the mid 1950s. By the 1960s the music transformed the cultural and political landscape of much of the world. Never before in history has a style of music come along that so quickly and so completely changed the world. Author Stuart Kallen traces the history of rock and roll from its early 1950s beginnings through its most significant developments to date.
