American Democracy From Tocqueville To Town Halls To Twitter Political Sociology:

American Democracy Andrew J. Perrin, 2014-04-10 In this groundbreaking book sociologist Andrew Perrin shows that rules and institutions while important are not the core of democracy Instead as Alexis de Tocqueville showed in the early years of the American republic democracy is first and foremost a matter of culture the shared ideas practices and technologies that help individuals combine into publics and achieve representation Reinterpreting democracy as culture reveals the ways the media public opinion polling and changing technologies shape democracy and citizenship As Perrin shows the founders of the United States produced a social cultural and legal environment fertile for democratic development and in the two centuries since citizens and publics use that environment and shared culture to re imagine and extend that democracy *American Democracy* provides a fresh innovative approach to democracy that will change the way readers understand their roles as citizens and participants Never will you enter a voting booth or answer a poll again without realizing what a truly social act it is This will be necessary reading for scholars students and the public seeking to understand the challenges and opportunities for democratic citizenship from Toqueville to town halls to Twitter

The SAGE Handbook of Political Sociology, 2v William Outhwaite, Stephen Turner, 2017-10-30 The SAGE Handbook of Political Sociology offers a comprehensive and contemporary look at this evolving field of study The focus is on political life itself and the chapters written by a highly respected and international team of authors cover the core themes which need to be understood in order to study political life from a sociological perspective or simply to understand the political world The two volumes are structured around five key areas PART 1 TRADITIONS AND PERSPECTIVES PART 2 CORE CONCEPTS PART 03 POLITICAL IDEOLOGIES AND MOVEMENTS PART 04 TOPICS PART 05 WORLD REGIONS This future oriented and cross disciplinary handbook is a landmark text for students and scholars interested in the social investigation of politics

The Oxford Handbook of W. E. B. Du Bois Aldon D. Morris, Michael Schwartz, Cheryl Johnson-Odim, Walter R Allen, Marcus Anthony Hunter, Karida L Brown, Dan S Green, 2024 The wide ranging work of W E B Du Bois critical to understanding the role that race has played in creating the modern world we find around us mostly has been ignored or hidden from sociological researchers until after the civil rights movement in the U S As a result one of the key goals of The Oxford Handbook of W E B Du Bois is to reclaim Du Bois from those efforts to marginalize his thought The chapters of this volume explore in a comprehensive manner all aspects of Du Boisian sociology It is organized into ten thematic sections Social Theory Change and Agency Sociology Social Science Humanities Public Intellectual Women and Gender Studies Methodologies and Archival Resources Black Interiority and Whiteness Color Line Empire Marxism and War Talented Tenth and Black Colleges and Universities Black Community Religion Crime and Wealth Internationalism Pan Africanism and Anti Colonialism

The Oxford Handbook of Political Participation Marco Giugni, Maria Grasso, 2022-06-16 The Oxford Handbook of Political Participation provides the first comprehensive up to date treatment of political participation in all its

varied forms investigates a wide range of topics in the field from both a theoretical and methodological perspective and covers the most recent developments in the area. It brings together research traditions from political science and sociology bridging the gap in particular between political sociology and social movement studies. Contributions also draw on crucial work in psychology, economics, anthropology, and geography. Following a detailed introduction from the editors, the volume is divided into nine parts that explore political participation across disciplines, core theoretical perspectives, methodological approaches, modes of participation, contexts, determinants, processes, outcomes, and current trends and future directions. The book will be a valuable reference work for anyone interested in understanding political participation and related themes.

Public Opinion David L. Weakliem, 2020-06-30 Is political polarization on the rise? Do various populist movements have anything in common? Is the opposition between left and right becoming obsolete, and if so, what might replace it? Many of the most pressing questions about contemporary politics involve public opinion. This incisive sociological introduction considers the formation of opinions as not just a matter of individual responses to external conditions but as a social process in which people influence and are in turn influenced by others. David L. Weakliem illustrates how changes in economic and social conditions affect public opinion and how the distribution of opinions is shaped by the structure of interaction among people. He applies this approach to discuss topics such as political polarization, long-term trends in public opinion, and the prospects for democracy. Combining theory with up-to-date information on public opinion, the book will be of interest to researchers and students alike in sociology, political science, and communication studies.

Racial Conflict in Global Society John Stone, Polly Rizova, 2014-09-08 Despite global shifts in world power, racial conflict remains one of the major problems of contemporary social life. This concise and engaging book demonstrates the interplay between identity, power, and conflict in the creation, persistence, and transformation of patterns of race and ethnic relations across the globe. Stone and Rizova employ a neo-Weberian comparative approach to explore how evolving systems of group conflict have been and continue to be impacted by changes in the world system, global capitalism, multinational corporations, and transnational alliances and institutions. The authors analyse critical debates about post-racialism, exceptionalism, ethnic warfare, and diversity management in global organizations, drawing on cases from South Africa to Darfur and from global migration to the Arab Spring uprisings. In conclusion, the search for effective strategies of conflict resolution and the quest for racial justice are evaluated from multiple perspectives. Racial Conflict in Global Society provides stimulating insights into the basic factors underlying racial conflict and consensus in the early decades of the twenty-first century. It is essential reading for scholars and students across the social and political sciences, management, and international relations.

War and Society Miguel A. Centeno, Elaine Enriquez, 2016-03-31 War is a paradox. On the one hand, it destroys bodies and destroys communities. On the other hand, it is responsible for some of the strongest human bonds and has been the genesis of many of our most fundamental institutions. War and Society addresses these paradoxes while providing a sociological exploration of this enigmatic phenomenon which

has played a central role in human history wielded an incredible power over human lives and commanded intellectual questioning for countless generations The authors offer an analytical account of the origins of war its historical development and its consequences for individuals and societies adopting a comparative approach throughout It ends with an appraisal of the contemporary role of war looking to the future of warfare and the fundamental changes in the nature of violent conflict which we are starting to witness This short readable and engaging book will be an ideal reading for upper level students of political sociology military sociology and related subjects My Tax Dollars Ruth Braunstein, 2025-04-15 When the mundane reality of paying taxes takes on moral significance In My Tax Dollars Ruth Braunstein maps the contested moral landscape in which Americans experience and make sense of the tax system Braunstein tells the stories of Americans who view taxpaying as more than a mundane chore antigovernment tax defiers who challenge the legitimacy of the tax system antiwar activists who resist the use of their taxes to fund war antiabortion activists against taxpayer funded abortions and a diverse group of people who promote taxpaying as a moral good Though taxpaying is often portrayed as dull and technical exposure to collective rituals civic education propaganda and protest transforms the practice for many Americans into either a sacred rite of citizenship or a profane threat to what they hold dear These sacred and profane meanings can apply to the act of taxpaying itself or to the specific uses of tax dollars Despite intense disagreement about these meanings politically diverse Americans engaged in both taxpaying and tax resistance valorize the individual taxpayer and my tax dollars Braunstein explores the profound implications of this meaning making for tax consent the legitimacy of the tax system and citizens broader understandings of their political relationships Going beyond the usual focus on tax policy Braunstein s innovative view of taxation through the lens of cultural sociology shows how citizens in value diverse societies coalesce around shared visions of the sacred and fears of the profane Democracy in America Alexis de Tocqueville, 1845 Democracy in America Alexis de Toqueville, 2022-11-13 In Democracy in America Alexis de Tocqueville presents a profound exploration of the young American democracy and its societal implications following his visit in the early 1830s Structured as a two volume work Tocqueville s literary style combines astute observations philosophical analysis and sociological insights reflecting the Enlightenment thought prevalent in 19th century Europe He meticulously examines the principles of equality individualism and the interplay between liberty and social order offering a balanced critique of democracy s strengths and weaknesses which has become a seminal text in political theory and sociology Alexis de Tocqueville a French aristocrat and political thinker was profoundly influenced by the turbulent political landscape of his homeland which experienced revolutions and upheavals during his lifetime His commitment to understanding democracy was informed by his own observations of the American experiment contrasting it with Europe s struggles to achieve similar democratic ideals His nuanced perspectives as a foreign observer provide invaluable insights into the social fabric and political dynamics of early America making the text a significant contribution to comparative politics I highly recommend Democracy in America to readers seeking to grasp the

complexities of democratic society and its implications for contemporary governance Tocqueville's insights remain remarkably relevant today as they encourage critical reflection on the nature of freedom equality and civic responsibility making it essential reading for anyone interested in the evolutionary trajectory of democratic ideals

Democracy in America John Bigelow, Alexis de Tocqueville, 1899

Democracy in America and Two Essays on America Alexis de Tocqueville, 2003-07-01 A contemporary study of the early American nation and its evolving democracy from a French aristocrat and sociologist In 1831 Alexis de Tocqueville a young French aristocrat and ambitious civil servant set out from post revolutionary France on a journey across America that would take him 9 months and cover 7 000 miles The result was Democracy in America a subtle and prescient analysis of the life and institutions of 19th century America Tocqueville looked to the flourishing democratic system in America as a possible model for post revolutionary France believing that the egalitarian ideals it enshrined reflected the spirit of the age and even divine will His study of the strengths and weaknesses of an evolving democratic society has been quoted by every American president since Eisenhower and remains a key point of reference for any discussion of the American nation or the democratic system This new edition is the only one that contains all Tocqueville's writings on America including the rarely translated Two Weeks in the Wilderness an account of Tocqueville's travels in Michigan among the Iroquois and Excursion to Lake Oneida For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Democracy in America Alexis de Tocqueville, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Democracy in America Alexis de Tocqueville, 2017-03-20 De La Democratie en Am rique published in two volumes the first in 1835 and the second in 1840 is a classic French text by Alexis de Tocqueville Its title translates as On Democracy in America but English translations are usually simply entitled Democracy in America In the book Tocqueville examines the democratic revolution that he believed had been occurring over the previous seven hundred years

[Alexis de Tocqueville: Democracy in America \(LOA #147\)](#) Alexis de Tocqueville, 2004-02-09 An exclusive new translation of the most perceptive and influential book ever written about American politics and society the bible on democracy The Texas Observer This Library of America volume presents de Tocqueville's masterpiece in an entirely new translation the first to fully capture his style and provide a rigorous faithful rendering of his profound ideas and observations Alexis de Tocqueville a young aristocratic French lawyer

came to the United States in 1831 to study its penitentiary systems His nine month visit and subsequent reading and reflection resulted in this landmark masterpiece of political observation and analysis In *Democracy in America* Tocqueville vividly describes the unprecedented social equality he found in America and explores its implications for European society in the emerging modern era His book provides enduring insight into the political consequences of widespread property ownership the potential dangers to liberty inherent in majority rule the vital role of religion in American life and the importance of civil institutions in an individualistic culture dominated by the pursuit of material self interest He also probes the deep differences between the free and slave states writing prophetically of racism bigotry and prejudice in the United States Brought to life by Arthur Goldhammer s clear fluid and vigorous translation this volume of *Democracy in America* is the first to fully capture Tocqueville s achievements both as an accomplished literary stylist and as a profound political thinker

Democracy in America Alexis de Tocqueville,1998 Tocqueville examines the structures institution and operation of democracy and analyzes the lessons that Europe could learn from American successes and failures It continues to be an influential text on both sides of the Atlantic especially in the emerging democracies of Eastern Europe

Democracy in America Alexis De Tocqueville,2004-06-01 From America s call for a free press to its embrace of the capitalist system *Democracy in America* first published in 1835 enlightens entertains and endures as a brilliant study of our national government and character Philosopher John Stuart Mill called it among the most remarkable productions of our time Woodrow Wilson wrote that de Tocqueville s ability to illuminate the actual workings of American democracy was possibly without rival For today s readers de Tocqueville s concern about the effect of majority rule on the rights of individuals remains deeply meaningful His shrewd observations about the almost royal prerogatives of the president and the need for virtue in elected officials are particularly prophetic His profound insights into the great rewards and responsibilities of democratic government are words every American needs to read contemplate and remember From America s call for a free press to its embrace of the capitalist system *Democracy in America* enlightens entertains and endures as a brilliant study of our national government and character De Toqueville s concern about the effect of majority rule on the rights of individuals remains deeply meaningful His insights into the great rewards and responsibilities of democratic government are words every American needs to read contemplate and remember

American Institutions and Their Influence Alexis de Tocqueville,2019-11-26 In *American Institutions and Their Influence* Alexis de Tocqueville provides a comprehensive analysis of American democracy and its social institutions in the mid 19th century Through a nuanced exploration of political religious and familial structures Tocqueville employs a distinctive literary style that combines sociological observation with philosophical inquiry His keen observations are contextualized within the larger framework of European thought reflecting the tension between liberty and equality a theme that resonates throughout his work By juxtaposing the American democratic experiment with older Western forms of governance Tocqueville articulates the strengths and vulnerabilities

inherent in democratic societies Alexis de Tocqueville a French aristocrat and political thinker was deeply influenced by the political landscape of his own country and the political turbulence in Europe His travels in America motivated by a desire to understand the rise of democracy provided him with firsthand insights that shaped his perspective on governance and society Tocqueville s upbringing and academic pursuits in law and political science undeniably equipped him with the analytical tools required to dissect complex social phenomena This book is an essential read for anyone seeking to understand the foundations of American democracy and its implications for modern governance Tocqueville s incisive observations continue to resonate today making it a valuable resource for scholars students and general readers interested in the interplay between institutions and individual liberties In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

[Democracy in America V2](#) Alexis de Tocqueville,2008-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

Tocqueville: Democracy in America Alexis de Tocqueville,2010-01-18 Tocqueville Democracy in America written by legendary author Alexis de Tocqueville is widely considered to be one of the greatest books of all time This great classic will surely attract a whole new generation of readers For many Tocqueville Democracy in America is required reading for various courses and curriculums And for others who simply enjoy reading timeless pieces of classic literature this gem by Alexis de Tocqueville is highly recommended Published by Classic Books International and beautifully produced Tocqueville Democracy in America would make an ideal gift and it should be a part of everyone s personal library
