## **American Diplomacy Walgreen Foundation Lectures:**

American Diplomacy, 1900-1950. Charles R. Walgreen Foundation Lectures. (Fifteenth printing.). George Frost Kennan, 1964    **American Diplomacy** George F. Kennan, 1951    *American Diplomacy, 1900-1950* George Frost Kennan, 1951    *American Diplomacy Nineteenthundred Till Nineteenthundred and Fifty* George Frost Kennan, 1962

**American Diplomacy** George Frost Kennan, 1984 Lectures examine the Spanish American War World War I and II American relations with Russia and Far East foreign policy    *American Diplomacy* George F. Kennan, 2012-06-15 These lectures on American diplomacy in the first half of the twentieth century are a classic foreign policy text Washington Post Book World For more than sixty years George F Kennan s *American Diplomacy* has been a standard work on American foreign policy Drawing on his considerable diplomatic experience and expertise Kennan offers an overview and critique of the foreign policy of an emerging great power whose claims to rightness often spill over into self righteousness whose ambitions conflict with power realities whose judgmentalism precludes the interests of other states and whose domestic politics frequently prevent prudent policies and result in overstretch Keenly aware of the dangers of military intervention and the negative effects of domestic politics on foreign policy Kennan identifies troubling inconsistencies in the areas between actions and ideals even when the strategies in question turned out to be decided successes In this expanded anniversary edition a substantial new introduction by John J Mearsheimer one of America s leading political realists provides new understandings of Kennan s work and explores its continued resonance As America grapples with its new role as one power among many rather than as the indispensable nation that sees further into the future Kennan s perceptive analysis of the past is all the more relevant Today as then the pressing issue of how to wield power with prudence and responsibility remains and Kennan s cautions about the cost of hubris are still timely Refreshingly candid *American Diplomacy* cuts to the heart of policy issues that continue to be hotly debated today These celebrated lectures delivered at the University of Chicago in 1950 were for many years the most widely read account of American diplomacy in the first half of the twentieth century Foreign Affairs Significant Books of the Last 75 Years    **American Diplomacy, 1900-1950** , 1970    *American Diplomacy 1900-1950..* George Frost Kennan (diplomat).), 1965    **Wilsonian Approaches to American Conflicts** Ashley Cox, 2017-07-14 Cover Title Page Copyright Page Table of Contents Introduction 1 A Wilsonian interpretation 2 The First World War 3 The War of 1812 4 The Korean War 5 The Gulf War 6 Conclusion Bibliography Index    **Diplomacy at the Brink** David M. Watry, 2014-12-10 A groundbreaking new study of Anglo American relations during the Cold War *Diplomacy at the Brink* argues for a reevaluation of Dwight D Eisenhower s foreign policy toward allies and enemies alike Contrary to his reputation as a level headed moderate the Eisenhower who emerges in David M Watry s exhaustively researched book is a conservative ideologue a leader whose aggressively anti Communist and anticolonialist foreign policies represented a major shift away from the containment policy of the Truman presidency Watry contends that Eisenhower worked closely with John Foster

Dulles to engage in aggressive brinksmanship that diametrically opposed Winston Churchill's diplomacy of peaceful coexistence. At a time when British economic interests favored cooperation with China, Eisenhower planned nuclear war against it when Anthony Eden considered Gamal Abdel Nasser a Soviet agent and invaded Egypt. Eisenhower supported Arab nationalism and used economic and political blackmail to force Britain to withdraw. Such stances fractured the special relationship between America and Great Britain and played a vital role in the dissolution of the British Empire. Watry's thorough examination of the important clash of U.S./U.K. foreign policy demonstrates that America's new anti-colonial policies and the unilateral use of American power against perceived Communist threats put Eisenhower and Dulles on a collision course with Churchill and Eden that rocked the world.

**The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1973

**Progressivism and the Open Door** Jerry Israel, 2010-11-23 During the progressive era most American policymakers agreed that China represented a land of unlimited opportunity for trade, investment, and social reform. Serious divisions existed, however, over policy tactics. One side, mainly manufacturers and academics, advocated a unilateral policy of penetration allied only with Chinese modernizers. The other, primarily financiers and reformists, called for an alliance with other powers, especially Japan, in their dealings with China. In *Progressivism and the Open Door*, Jerry Israel examines the many factors that led to formal U.S. policy toward China during this era, one that ultimately found a middle ground between the two divisions.

American Diplomacy George F. Kennan, 2012-06-21 For more than sixty years, George F. Kennan's *American Diplomacy* has been a standard work on American foreign policy. Drawing on his considerable diplomatic experience and expertise, Kennan offers an overview and critique of the foreign policy of an emerging great power whose claims to rightness often spill over into self-righteousness, whose ambitions conflict with power realities, whose judgmentalism precludes the interests of other states, and whose domestic politics frequently prevent prudent policies and result in overstretch. Keenly aware of the dangers of military intervention and the negative effects of domestic politics on foreign policy, Kennan identifies troubling inconsistencies in the areas between actions and ideals, even when the strategies in question turned out to be decided successes. In this expanded sixtieth anniversary edition, a substantial new introduction by John J. Mearsheimer, one of America's leading political realists, provides new understandings of Kennan's work and explores its continued resonance. As America grapples with its new role as one power among many rather than as the indispensable nation that sees further into the future, Kennan's perceptive analysis of the past is all the more relevant. Today, as then, the pressing issue of how to wield power with prudence and responsibility remains, and Kennan's cautions about the cost of hubris are still timely. Refreshingly candid, *American Diplomacy* cuts to the heart of policy issues that continue to be hotly debated today. These celebrated lectures, delivered at the University of Chicago in 1950, were for many years the most widely read account of American diplomacy in the first half of the twentieth century. *Foreign Affairs Significant Books of the Last 75*

Years      **American Diplomacy** Elmer Plischke,1957      *Library of Congress Catalog* Library of Congress,1950 A
