

GIFT CARD DONATIONS

AE donates a limited number of \$25 gift cards to high school and college sponsored events that help us make an AE Better World. This includes fundraising events for charity and for programs within the schools and colleges themselves.

To request a gift card, please submit a letter on your organization's letterhead at least 6 weeks before your donation is needed. Be sure to include a brief description of your organization and event, Federal Tax Exemption Number and how you will recognize AE as a contributing sponsor of your event. While we would like to respond to all requests favorably, the number of requests we receive far exceeds our funding capacity. If your donation request is granted, you will receive a letter and gift card within 6 weeks after we receive your request.

Send gift card requests to:
American Eagle Outfitters Foundation
77 Hot Metal Street
Pittsburgh, PA 15203

Tribal Michael Morris, 2024-10-01 SHORTLISTED FOR THE FINANCIAL TIMES AND SCHRODERS BUSINESS BOOK OF THE YEAR A revelatory paradigm shifting work from a renowned Columbia professor and one of the great social and cultural psychologists Amy Cuddy that demystifies our tribal instincts and shows us how to use them to create positive change Tribalism is our most misunderstood buzzword We've all heard pundits bemoan its rise and it's been blamed for everything from political polarization to workplace discrimination But as acclaimed cultural psychologist and Columbia professor Michael Morris argues our tribal instincts are humanity's secret weapon Ours is the only species that lives in tribes groups glued together by their distinctive cultures that can grow to a scale far beyond clans and bands Morris argues that our psychology is wired by evolution in three distinctive ways First the peer instinct to conform to what most people do Second the hero instinct to give to the group and emulate the most respected And third the ancestor instinct to follow the ways of prior generations These tribal instincts enable us to share knowledge and goals and work as a team to transmit the accumulated pool of cultural knowledge onward to the next generation Countries churches political parties and companies are tribes and tribal instincts explain our loyalties to them and the hidden ways that they affect our thoughts actions and identities Rather than deriding tribal impulses for their irrationality we can recognize them as powerful levers that elevate performance heal rifts and set off shockwaves of cultural change Weaving together deep research current and historical events and stories from business and politics Morris cuts across conventional wisdom to completely reframe how we think about our tribes Bracing and hopeful *Tribal* unlocks the deepest secrets of our psychology and gives us the tools to manage our misunderstood superpower
