**Confessions of a Credit Junkie** Beverly Harzog, 2013-11-25 Credit card expert Beverly Harzog shares how she went from being a credit card disaster to a credit card diva. When Beverly got out of college, she spent the next 10 years racking up debt on seven credit cards. Credit card limits she believed were merely guidelines, certainly not anything to be taken seriously, especially if she was in dire need of a new pair of shoes. The fact that she was a CPA at the time adds an ironic twist to the credit quagmire she slowly descended into. In *Confessions of a Credit Junkie*, Beverly candidly details her own credit card mishaps and offers easy-to-follow advice, often with a touch of Southern humor, to help others avoid them. In this much-needed book, you'll learn how to use the Credit Card Personality Quiz to choose the right credit cards, the seven ways to use a credit card to rebuild credit, how to get out of debt using a balance transfer credit card and pay zero interest while doing it, credit card strategies to save a bundle on groceries, gas, and more. Anyone in debt will benefit from the down-to-earth, practical tips Beverly offers.
