American Express Yelp

Sean Ellis, Morgan Brown

American Express Yelp:

Food in the Internet Age William Aspray,George Royer,Melissa G. Ocepek,2013-09-06 This book examines food in the United States in the age of the Internet One major theme running through the book is business opportunities and failures as well as the harms to consumers and traditional brick and mortar companies that occurred as entrepreneurs tried to take advantage of the Internet to create online companies related to food The other major theme is the concept of trust online and different models used by different companies to make their web presence seem trustworthy The book describes a number of major food companies including AllRecipes Betty Crocker Cook s Illustrated Epicurious Groupon OpenTable and Yelp The book draws on business history food studies and information studies for its approach

Building Brand Communities

Carrie Melissa Jones,Charles Vogl,2020-06-09 An authentic brand community is more than just people buying your product or working alongside one another This book articulates the critical roles of mutual concern common values and shared experiences in creating fiercely loyal customer and collaborator relationships Smart organizations know that creating communities is the key to unlocking unprecedented outcomes But too many mistakenly rely on superficial transactional relationships as a foundation for community when really people want something deeper Carrie Melissa Jones and Charles Vogl argue that in an authentic and enriching community members have mutual concern for one another share personal values and join together in meaningful shared experiences whether online or off On the deepest level brands must help members grow into who they want to be Jones and Vogl present practices used by global brands like Yelp Etsy Twitch Harley Davidson Salesforce Airbnb Sephora and others to connect in a meaningful way with the people critical for their success They articulate how authentic communities can serve organizational goals in seven different areas innovation talent recruitment customer retention marketing customer service building transformational movements and creating community forums They also reveal principles to grow a new brand community to critical mass This is the first comprehensive guide to a crucial differentiator that gives organizations access to untapped enthusiasm and engagement

Hacking Growth Sean Ellis,Morgan Brown,2017-04-25

The definitive playbook by the pioneers of Growth Hacking one of the hottest business methodologies in Silicon Valley and beyond It seems hard to believe today but there was a time when Airbnb was the best kept secret of travel hackers and couch surfers Pinterest was a niche web site frequented only by bakers and crafters LinkedIn was an exclusive network for C suite executives and top level recruiters Facebook was MySpace s sorry step brother and Uber was a scrappy upstart that didn t stand a chance against the Goliath that was New York City Yellow Cabs So how did these companies grow from these humble beginnings into the powerhouses they are today Contrary to popular belief they didn t explode to massive worldwide popularity simply by building a great product then crossing their fingers and hoping it would catch on There was a studied carefully implemented methodology behind these companies extraordinary rise That methodology is called Growth Hacking and it s practitioners include not just today s hottest start ups but also

companies like IBM Walmart and Microsoft as well as the millions of entrepreneurs marketers managers and executives who make up the community of Growth Hackers Think of the Growth Hacking methodology as doing for market share growth what Lean Start Up did for product development and Scrum did for productivity It involves cross functional teams and rapid tempo testing and iteration that focuses customers attaining them retaining them engaging them and motivating them to come back and buy more An accessible and practical toolkit that teams and companies in all industries can use to increase their customer base and market share this book walks readers through the process of creating and executing their own custom made growth hacking strategy It is a must read for any marketer entrepreneur innovator or manager looking to replace wasteful big bets and spaghetti on the wall approaches with more consistent replicable cost effective and data driven results How to Be the World's Smartest Traveler (and Save Time, Money, and Hassle) Christopher Elliott,2014-03-04
