started Knowing that my year will have its struggles That s my job To help structure and teach the lives have headstrong ill mannered and ill natured kids I am not realizing at that moment that my struggles were going to be with the adults My coworkers The people I am supposed to count on My team I realize that adults can be worse than kids I never imagined getting bullied at work Especially from grown adults I thought we were a team We are supposed to support one another not tear each other down We work at a school for troubled kids but yet the trouble coming from the adult minds We are supposed to be examples role models for these young children Who are mentally still growing However we are teaching them to lie hurt one another and do whatever it takes to bring your peers down So you can get ahead Our kids are not dumb They know what s going on they see it They are smarter than you think Bullying does not just happen in your young life It can happen to anyone at any time So many people get bullied at their place of work Sometimes the victim has nowhere else to turn but to turn to social media When you so caught up in the torment that you can t think right Your brain is on fire From all the suffering confusion questions and sadness That when you re in the crossfire you can t think clearly To stand up for yourself When you finally do stand up for yourself You are in tears shaky anxious terrified and have so many thoughts flashing through your fired brain Your higher up does not agree with you He agrees with the bullies who are clear minded Who are the master manipulators Who have their thoughts together I had to walk through the crossfires this year the fire of feeling mentally alone not wanting to go to the job I once loved so much feeling a heavy weight on my shoulder not being able to escape reality The reality of my life The truth of getting bullied not knowing where my life will be in a month from now The ups and downs I have to face of my everyday life Questions I have to ask The questions are will I escape the torment Will I be a survivor Or will I end up giving up on myself Will the bullies once again get away with murder Will the truth prevail
