American Heroes Oliver North, 2013-11-05 From the New York Times bestselling author of *Heroes* Proved a moving collection of straightforward honest testimonials to the courage American troops display on and off the battlefield Kirkus Reviews For more than a dozen years combat decorated Marine Oliver North and his award winning documentary team from FOX News Channel's *War Stories* traveled to the frontlines of the War on Terror to profile the dedicated men and women who serve our nation This time he follows them from the battlefield to the homefront and finds extraordinary inspiration in their triumph over life altering adversity In this new volume of his New York Times bestselling *American Heroes* series North describes the courage commitment and strength of those who serve and those who love them The term selfless devotion may be a cliché to many but not to the men and women on the pages of this book Their stories resound with bravery a warrior ethos and spiritual strength that will encourage us all Heroes are people who knowingly place themselves at risk for the benefit of others Since the terror attack of September 11 2001 more than two million young Americans have volunteered to serve in difficult and dangerous places No military force in history has been asked to do more than those who have served and sacrificed in this long fight They are American heroes So too are their loved ones here at home These are their stories

The Rifleman Oliver North, 2019-12-10 This is a war story It's about real people and events before and during the American Revolution The central characters in this work Daniel Morgan George Washington Patrick Henry Charles Mynn Thruston and Generals Arnold Knox Greene Lee Gates and a host of others actually did the deeds at the places and times described herein So too did their accurately identified foreign and native adversaries Though this is a work of fiction readers may be surprised to discover the American Revolution was also one of the most uncivil of Civil Wars If Daniel Morgan were alive today he would be my near neighbor in Virginia's beautiful Shenandoah Valley While visiting a nearby gristmill Daniel Morgan and Nathaniel Burwell a fellow Revolutionary War veteran built in the late 1700s now restored and operated by the Clarke County Historical Association I became fascinated by this unsung American hero My good friend Oliver North has spent his life in the company of heroes In this great read he tells the stories of some of my personal heroes the Riflemen you will meet in this book LTG William G Jerry Boykin former commander U S Army Special Forces and author of six books including his autobiography *Never Surrender*
