Avatar The Last Airbender 2:

Seasons of "Avatar: The Last Airbender" , **The Avatar Television Franchise** Francis M. Agnoli, 2022-12-29 Nickelodeon's Avatar The Last Airbender 2005-08 and its sequel The Legend of Korra 2012-14 are among the most acclaimed and influential U.S. animated television series of the 21st century. Yet despite their elevated status, there have been few academic works published about them. The Avatar Television Franchise: Storytelling, Identity, Trauma, Fandom, and Reception remedies this gap by bringing together a wide range of scholarly writings on these shows. This edited collection is comprised of 13 chapters organized into 4 sections featuring close readings of key episodes analyzing how they create meaning as well as illustrating how established theories can guide those readings. Some chapters explore different theories relating to identity as well as considering the repercussions of depicting real-world identities in these shows, while others examine the various manifestations of trauma from throughout the franchise as well as illustrate different scholarly approaches to the topic. Still others utilize fan studies to understand the myriad ways viewers have responded to and interpreted the Avatar franchise.

Jews in Popular Science Fiction Valerie Estelle Frankel, 2022-09-07 This book analyzes Jewish tropes in popular science fiction ranging from Star Trek and Marvel to other prominent franchises. The chapters in this collection examine the representation of Jewish characters in films and franchises including Superman, Lord of the Rings, The Mandalorian, The Twilight Zone, and more to shed light on the broad range of representations of the Jewish experience in popular science fiction and fantasy. **Avatar: The Last Airbender: Volume 1 (Avatar: The Last Airbender)** Random House, 2021-05-25 An action-packed retelling of Avatar: The Last Airbender with full-color scenes and dialogue from the series in a Screen Comics style. The mysterious origins of Aang, the Avatar, and the last Airbender are retold in the new Screen Comics format. Based on the epic Nickelodeon series, this first book reveals how Aang emerges from a hundred years frozen in an iceberg to find the world is very different from the one he once knew. With the help of a waterbender named Katara and her brother Sokka, Aang searches for teachers to help him master his skills and escape Prince Zuko in order to end the Fire Nation's war and bring balance to the world. The stakes couldn't be higher in this 320-page full-color retelling of the first six episodes of the show, featuring final frames and dialogue from the series.
