

Avaya one-X® Deskphone 9640/9640G IP Telephone

Avaya one-X® Deskphone is a family of next-generation IP telephones that delivers a new and unique communications experience to drive increased productivity.

The Avaya one-X Deskphone solution family features an intuitive user interface which helps to make users proficient and confident in performing common telephone tasks such as setting up a conference call or completing a transfer. With brilliant audio quality, it's much easier to hear and understand other people which speeds business while reducing fatigue and stress. Avaya one-X Deskphone models now support voice commands for speech based dialing, and allow workers to dial personal contacts stored on the phone or a USB memory stick. The Avaya 9600 Series deskphones are built with future growth and enhancement in mind, with many modular add-ons that can be added as they are needed — protecting investments and leading to improved total cost of ownership. The new telephones also feature a very stylish professional design, including support for customized display screen saver images and custom faceplates with company logos.

Avaya one-X is a portfolio of communications solutions which deliver a powerful and consistent communications experience for the end user — across a variety of devices

and interfaces. Avaya one-X solutions provide streamlined access to intelligent Communications, to drive productivity and competitive advantage.

Smart, sleek, stylish and highly functional, the Avaya 9640 IP Telephone is designed for the Essential user, those for whom the telephone is essential in order to perform their jobs. Workers who conduct much of their business on the phone — moving from one call to the next. The Avaya 9640 delivers advanced communications capabilities — high definition audio, a brilliant — high resolution pixel based color display, an integrated WML application interface, one-touch access to Avaya Aura™ Communication Manager mobility or forwarding features — in a solution designed for those who are absolutely dependent on voice communications for their business operations.

The Avaya 9640 is the ideal telephone to support productivity enhancing phone applications such as corporate directories, integration with Microsoft® Outlook® calendars and surveillance cameras/webcams (refreshed still images).

An embedded speech recognition engine within the Avaya 9600 Series deskphones allows for dialing of contacts by simply speaking the person's name. For those contact entries with more than one number

work, home), the user can specify "call John Smith at work" and the 9640 is intelligent enough to make it happen. For workers on the go, a USB stick can be used to log into a phone and store personal contacts. When the USB is inserted into a 9600 Series deskphone, it logs the user in and allows users to speech dial any of the up to 250 personal contacts supported by the phones.

The Avaya 9640 IP Telephone supports higher quality wideband audio in the handset and headset as well as the speakerphone, which provides crystal clear audio with the elimination of background noise. The color display and intuitive interface simplifies access to advanced Avaya Aura™ Communication Manager features — such as simultaneously managing multiple calls and selectively muting and dropping conference call participants. And, with its dual position flip-stand, the 9640 makes a smart-looking addition to any desk.

Workers on the go will appreciate the convenience of the Avaya 9640's forwarding button, which provides one-touch access to Avaya Aura™ Communication Manager features.

Standard color faceplates supported with all 9600 models. In addition, custom designs including company logos are also supported.
