Average Youth Ministry:

Average Youth Ministry Benjamin Kerns, 2014-02-03 It seems that every book blog post and article I read is about the top 5 ways to be the best at something But the sad reality is that if you are trying to study up on how to be the best you can rest assured that you are not the best What would happen to your ministry and more importantly to your soul if you embraced the reality that you were simply average Think of all that energy wasted on striving for something that you will never attain Now imagine if you died to that dream of being the best in the world and embraced the reality that you were simply the best youth worker your actual students know In fact the truth is you are the only youth worker your students care about Maybe together we can remind each other that we are called to love students and help them to love Jesus I hope you enjoy the musings of an average youth worker who wants to love Jesus and his students in an extraordinary way **Adoptive Youth Ministry**
