

Adolescent Group Therapy Worksheet

Adolescence is all about identity formation and development, however, it is often also a time of great self-consciousness and insecurity. Reflecting on elements that make up their identity is a way for adolescents to start becoming self-aware and building self-confidence.

Group Activity: Who Am I?	
Aim	This group activity aims to introduce participants to each other and develop self-awareness, self-confidence, and self-reflection.
Resources	<ul style="list-style-type: none">• Large paper• Art supplies (magazines, scissors, glue, pens, pencils, crayons, markers, paints, etc.)
Activity	<ul style="list-style-type: none">• Begin by discussing what identity is and what makes up someone's identity (strengths, weaknesses, culture, interests, family, etc.) Discuss how they are still forming their identity and getting to know who they are.• Ask each participant to create an artwork that represents their identity as they understand it now.• Allow each participant to share their artwork with the group.
Follow Up	You may wish to return to these artworks at the end of the program to reflect on if there are additions they would like to make.

Adolescent Group Therapy Guide:

Handbook of Child and Adolescent Group Therapy Craig Haen, Seth Aronson, 2016-10-14 This handbook describes in detail different contemporary approaches to group work with children and adolescents. Further this volume illustrates the application of these models to work with the youth of today whether victims of trauma, adolescents struggling with LGBT issues or youth with varying common diagnoses such as autism spectrum disorders, depression and anxiety. It offers chapters presenting a variety of clinical approaches written by experts in these approaches from classic play therapy and dialectical behavior therapy to cutting edge attachment based intervention, mindfulness and sensorimotor psychotherapy. Because of its broad scope the book is suitable for a wide audience from students to first time group leaders to seasoned practitioners.

Handbook of Cognitive-Behavior Group Therapy with Children and Adolescents Ray W. Christner, Christy A. Mulligan, 2007-05-07 This Handbook offers a much needed resource of theoretical knowledge, evidence based interventions and practical guidelines for professionals providing group psychotherapy to youth clients. Written by leading professionals in the field of child and adolescent cognitive behavioral therapy this comprehensive volume offers readers a collection of innovative and well established approaches for group interventions with youth in a variety of treatment settings. It addresses a wide range of issues not limited to assessment, group member selection and specific protocols and strategies that readers can implement in their own practice. Integrating theoretical and practical aspects leading experts offer their experience through case examples and vignettes suggesting guidelines for overcoming inherent treatment obstacles. This Handbook provides not only a framework for delivering effective group therapy but also highlights specific problem areas and it is an invaluable reference for professionals providing therapeutic intervention to children and adolescents.

Activities for Adolescents in Therapy Susan T. Dennison, 1998 This how to do it book has been written primarily for experienced group clinicians, social workers, psychologists, psychiatrists and school counselors. However it may also be adapted for use by other experienced helping professionals who work with troubled adolescents in group settings such as art therapists, special education teachers, recreation therapists and speech language pathologists. Although the activities are intended for groups, modifications can easily be made for use in individual therapy.

Adolescent Group Therapy Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Adolescent Group Therapy Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Adolescent Group Therapy Guide has opened up a world of possibilities. Downloading Adolescent Group Therapy Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Adolescent Group Therapy Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Adolescent Group Therapy Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Adolescent Group Therapy Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Adolescent Group Therapy Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Adolescent Group Therapy Guide has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
