Davidson,2020-11-02 America s Entangling Alliances challenges the belief that the US resists international alliances By documenting thirty four alliances categorized as defense pacts military coalitions or security partnerships Davidson finds that the US demand for allies is best explained by looking at variance in its relative power and the threats it has faced **America Today** William Archer,1900 **Spanish America, from the Earliest Period to the Present Time** Julian Hawthorne,1899 The Youth of America Daniel Lash Marsh,1923 Harper's Magazine Lee Foster Hartman,Frederick Lewis Allen,1919 America To-day William Archer,1899 **Spanish America** Julian Hawthorne,1899 *The Pageant of America: Toilers of land and sea, by R.H. and Visions of America Christopher Buck, 2009-04-30 At the heart of American studies is the idea of America itself Here Buck looks at the religious significance of America by examining those religions that have attached some kind of spiritual meaning to America The author explores how American Protestantism and nine minority faiths have projected America into the mainstream of world history by defining and by redefining America s world role Surveying the religious myths and visions of America of ten religions Buck shows how minority faiths have redefined America s sense of national purpose This book invites serious reflection on what it means to be an American particularly from a religious perspective Religious myths of America are thought orienting narratives that serve as vehicles of spiritual and social truths about the United States itself Religious visions of America are action oriented agendas that articulate the goals to which America should aspire and the role it should play in the community of nations Buck examines the distinctive perspectives held by ten religious traditions that inform and expand on the notion of America and its place in the world He covers Native American Protestant Catholic Jewish Mormon Christian Identity Black Muslim Islamic Buddhist and Baha i beliefs and invites serious reflection on what it means to be an American particularly from a religious perspective
