America Past And Present 9th Edition:

America Past and Present, 2011 America Past and Present AP Edition Ninth Edition strives to achieve the shared goal of the previous editions to present a clear relevant and balanced history of the United States as an unfolding story of national development from the days of the earliest inhabitants to the present. We emphasize the story because we strongly believe in the value of historical narrative in providing a vivid sense of the past. In each chapter we seek to blend the excitement and drama of the American experience with insights about the social, economic and cultural issues that underlie it. Preface
