The Last American Frontier Frederic Logan Paxson, 1918 *The American Frontier* N. B. Keyes, 1972 **The Passing of the Frontier** Emerson Hough, 2015-08-01 The Passing of the Frontier from Emerson Hough American author best known for writing western stories and historical novels 1857 1923 **The Last American Frontier** Frederic Logan Paxson, 2014-03-30 This Is A New Release Of The Original 1913 Edition **The Passing of the Frontier; A Chronicle of the Old West** Emerson Hough, 2018-08-14 The Passing of the Frontier a chronicle of the old West by Emerson Hough The frontier There is no word in the English language more stirring more intimate or more beloved It has in it all the elan of the old French phrase En avant It carries all of the old Saxon command Forward It means all that America ever meant It means the old hope of a real personal liberty and yet a real human advance in character and achievement To a genuine American it is the dearest word in all the world What is or was the frontier Where was it Under what stars did it lie Because as the vague Iliads of ancient heroes or the nebulous records of the savage gentlemen of the Middle Ages make small specific impingement on our consciousness today so also even now begin the tales of our own old frontier to assume a haziness an unreality which makes them seem less history than folklore Now the truth is that the American frontier of history has many a local habitation and many a name And this is why it lies somewhat indefinite under the blue haze of the years all the more alluring for its lack of definition like some old mountain range the softer and more beautiful for its own shadows The fascination of the frontier is and has ever been an undying thing Adventure is the meat of the strong men who have built the world for those more timid Adventure and the frontier are one and inseparable They suggest strength courage hardihood qualities beloved in men since the world began qualities which are the very soul of the United States itself an experiment an adventure a risk accepted Take away all our history of political regimes the story of the rise and fall of this or that partisan aggregation in our government take away our somewhat inglorious military past but leave us forever the tradition of the American frontier There lies our comfort and our pride There we never have failed There indeed we always realized our ambitions There indeed we were efficient before that hateful phrase was known There we were a melting pot for character before we came to know that odious appellation which classifies us as the melting pot of the nations We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
