American Legends The Life Of Jackie Gleason:

American Legends Charles River Editors, 2014-03-03 Includes pictures Includes Gleason's own quotes Includes a bibliography for further reading One of these days One of these days POW Right in the kiss Jackie Gleason as Ralph Kramden A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known If Lon Chaney will forever be recognized as The Man with a Thousand Faces Jackie Gleason holds a legitimate claim to being The Man with a Thousand Personas Indeed during his time hosting The Jackie Gleason Show on television he developed numerous alter egos including tough guy Rudy the Repairman the energetic Joe the Bartender and the alcoholic Rum Dum Physically there was no mistaking Jackie Gleason the way one certainly could with Lon Chaney but Gleason also possessed an uncanny ability to alternate between personas In the years before the Rat Pack made the nightclub lifestyle chic and glamorous on a national scale Jackie Gleason presided as perhaps the foremost nightclub figure in America and nobody excelled at situation comedy as well as he Paradoxically the iconic element of Jackie Gleason's persona was that he was able to maintain so many personas simultaneously and in a sense each of these characters bears traces of the real Jackie Gleason but the fact remains that the many personas of Jackie Gleason make it difficult to figure out exactly who Jackie Gleason actually was beneath his show business facades Perhaps just as ironically today Gleason is best remembered for The Honeymooners which began as a sketch within other shows like The Jackie Gleason Show before becoming its own spinoff Though it lasted just 39 episodes on its own Gleason continued using The Honeymooners as sketches in other shows and he is most closely associated with the character Ralph Kramden today especially his recurring threat to send his wife Alice to the moon Gleason's lifestyle reveals not only the glamorous perks of spending one's life in show business but also the physical and emotional tolls that accompany needing to please an audience on a nightly basis Moreover even before becoming a professional Gleason experienced great adversity having lost his mother at a young age and having been abandoned by his father traumatic events that heavily shaped his later career Jackie Gleason was both an exuberant figure and a very sad one as well and looking at his upbringing personal life and career demonstrate both his many achievements and the underlying drama and anguish behind it all American Legends The Life of Jackie Gleason looks at both the life and career of Jackie Gleason which were in many respects inseparable throughout much of his adult life Along with pictures of important people places and events you will learn about Jackie Gleason like never before in no time at all **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors, Focus On: 100 Most Popular Tony Award Winners Wikipedia contributors, Time: American Legends Editors of Time Magazine, 2001 **Take It from the Big Mouth** Jean Madderne Pitrone, 2021-12-14 She was one of the world's four best comediennes said Milton Berle but she lived a life of personal

disaster Martha Raye sang danced and joked her way into the spotlight of the entertainment world with a career that spanned seven decades and encompassed everything from vaudeville to television commercials to entertaining U S troops Take It from the Big Mouth the first full fledged biography of the multi talented performer explores Raye s life and career with candor and insight Raye got her big break when she caught the attention of a film director as she kidded with audience members Joe E Lewis and Jimmy Durante during an engagement at the Trocadero in Hollywood In the late 1930s Raye appeared in a number of films and the press heralded her as a stridently funny comedienne with a Mammoth Cave mouth From there her career soared She landed a role in Charlie Chaplain s film Monsieur Verdoux and the New York Post commented that Raye was the only one who could hold her own with the comic master By the 1950s she hosted her own highly rated television show reaching millions with her clowning Behind the huge smile and raucous laugh though there was a darker side to Martha Raye She found solace from her insecurities and a frenzied schedule in the use of drugs and alcohol Her seven rocky marriages the last to a man 33 years her junior whom she had known less than two weeks fueled headlines and gossip columns Particularly painful was her turbulent relationship with her only daughter Melodye She was passionately committed to entertaining troops abroad during World War II and she worked tirelessly as both entertainer and nurse in the remote jungles of Vietnam Bob Hope commented that she was Florence Nightingale Dear Abby and the only singer who could be heard over the artillery fire The Green Berets designated her an honorary lieutenant colonel and she later received the Presidential Medal of Freedom After her death in 1994 Colonel Maggie became the only civilian laid to rest among the Green Berets at the Fort Bragg military cemetery
