American Legends The Life Of Rita Hayworth:

American Legends Charles River Charles River Editors, 2013-10-22 Includes pictures of important people places and events Includes Hayworth's quotes about her own life and career Includes a bibliography for further reading I've had a lot of unhappiness in my life and a lot of happiness Who doesn't Rita Hayworth A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Rita Hayworth's life and career remain fascinating to both the general public and avid movie fans alike Even people with just a casual interest in movies appreciate her performances in films such as *Gilda* 1946 *The Lady from Shanghai* 1947 and *Salome* 1953 and few actresses could rival Hayworth's popularity during the late 1940s and early 1950s Indeed many of her most famous films are still enjoyed by viewers from around the world even today and with her acting career spanning nearly 50 years few viewers are not familiar with at least some of Hayworth's films particularly since she appeared in films of a wide variety of genres In addition Hayworth is also famously remembered for her status as one of the premier pin up girls of World War II with countless American soldiers who fought overseas carrying pin up photos of Hayworth with them at all times Even if she was never awarded an Academy Award Hayworth remains extremely popular today and it was no surprise that she was named one of the Top 100 actresses of the 20th century by the American Film Institute in 1999 While Hayworth is still famous today she is arguably even more significant within the academic community as the rise of Film Studies and the subsequent development of Cultural Studies as academic disciplines catapulted Hayworth from a popular actress to a figure worthy of close critical attention Hayworth is now identified not only for the importance of her films but also as a figure who illuminates and exposes the treatment of race and sexuality during the period known as classical Hollywood cinema As someone who was relegated to transforming her entire image including her personal background and physical appearance Hayworth represents both the height of Hollywood glamour as well as the lengths required of many actors and actresses in order to succeed in a particularly cut throat environment If Hollywood promoted the Horatio Alger myth of the rags to riches movie star it is also important to acknowledge the extent to which it forced many stars to essentially erase their personal backgrounds in the interest of achieving this success Even though it is true that Hayworth was the beneficiary of tremendous fortune throughout her life her popularity within Cultural Studies curricula reflects the importance of not only her films but also her star image as well Of course Rita's personal background is nearly as notorious as her career since her glamorous performances on the movie set are frequently juxtaposed with the adversity she faced behind the scenes She was deeply unhappy for much of her life due to a long string of failed marriages and a battle with alcoholism and by examining the films in conjunction with her off screen turmoil people quickly get a sense of the almost schizophrenic character of Rita Hayworth Only by looking at

Hayworth's life in its different stages and placing emphasis on both her triumphs and hardships can people completely understand her life and career American Legends The Life of Rita Hayworth examines the life and career of one of Hollywood's most iconic women Along with pictures of important people places and events you will learn about Rita Hayworth like never before in no time at all *Motion Pictures From the Fabulous 1970's* Terry Rowan,2015-07-23 The decade of space exploration and new rights for women and African Americans The decade as a pivot of change in world history The end on The Beatles Oscar winners were Patton 1970 The Godfather 1972 and Kramer vs Kramer 1979 Best selling group include The Eagles and Led Zepp in The Best selling rock stars were Elton John and Alice Cooper **Casting Might-Have-Beens** Eila Mell,2015-01-24 Some acting careers are made by one great role and some fall into obscurity when one is declined Would Al Pacino be the star he is today if Robert Redford had accepted the role of Michael Corleone in The Godfather Imagine Tom Hanks rejecting Uma Thurman saying that she acted like someone in a high school play when she auditioned to play opposite him in The Bonfire of the Vanities Picture Danny Thomas as The Godfather or Marilyn Monroe as Cleopatra This reference work lists hundreds of such stories actors who didn't get cast or who turned down certain parts Each entry organized alphabetically by film title gives the character and actor cast a list of other actors considered for that role and the details of the casting decision Information is drawn from extensive research and interviews From About Last Night which John Belushi turned down at his brother's urging to Zulu in which Michael Caine was not cast because he didn't look Cockney enough this book lets you imagine how different your favorite films could have been **character-Based Film Series** **Part 1** Terry Rowan,2016-09-16 Character based film series each complete on its own but sharing a common cast of main characters with continuing traits and a similar format which includes Andy Hardy The Beatles Billy Jack Blondie Bomba the Jungle Boy Buffalo Bill Cody Columbo Dr Kildare Ebenezer Scrooge Frances the Talking Mule Godzilla Harry Potter Henry Aldrich Jesse James Jungle Jim Lassie Ma 7 Pa Kettle Philo Vance The Pink Panther Robin Hood Roy Rogers Santa Claus Superman Tarzan The Wolfman Zorro and many more characters 1 of 3 books **Motion Pictures From the Fabulous 1950's** Terry Rowan,2015-12-22 The 1950s marked a decade of great fads Hula Hoops Davy Crockett coonskin caps Roy Rogers or Gene Audrey guns or Cowboy boots and poodle skirts It gave us Elvis Presley and rock and roll crew cuts and sideburns argyle sweaters saddle shoes and white bucks College kids on panty raids and sock hops In the corner of every sitting room was a small but ever expanding eye fixed on an opening world Television set Films of the 1950s were wide variety and the studios sought to put audiences back in the seats of the theaters *Character-Based Film Series Part 1* Terry Rowan,2016-04-09 A group of films on a character based series which include Andy Hardy Benji Billy Jack Blondie Captain Nemo Dr Kildare The Falcon Francis the Talking Mule Harry Potter Henry Aldrich Jason Voorhees Jungle Jim The Lone Ranger Ma 8 Pa Kettle Matt Dillon Michael Myers Robin Hood Santa Claus Superman Tarzan and Zorro These and other characters make this interesting book **This Was Hollywood** Carla Valderrama,2020-11-17 In this one of a kind
