Foreign Language Textbook for Portuguese Speakers This English textbook is based on the theoretical development of  
Neuropedia and the newest developments of neuroscience applied in foreign language learning The material reflects the  
theory of Neuropedia in its entirety the global and artistic approaches when grammar and lexicology are repeated in  
intervals and reviewed to exploit the psychological spacing effect the presentation of the study material to students in a  
specific time frame as a minimum at least 2 to 3 times more material in volume than the existing established norm by other  
methodologies the Theory of Globality where the material taught cannot be separated from the element and its whole and  
never taught and learned in an isolated mode For example words grammar etc do not exist separately from the language they  
are part of the discourse Each global conglomerate is part of a larger global conglomerate and thus it goes on ad infinitum  
Finally the book reflects the Golden Proportion its beauty and balance and the use of classical art and its aesthetics

Neuropedia includes the only theory and method recognized to be superior by a group of 26 experts from UNESCO It greatly accelerates the learning process without stress or fatigue The teaching throughout this book can also produce a variety of positive by products including psychotherapeutic effects During the foreign language teaching according to the principles of Neuropedia there is simultaneous activation of the left and right hemispheres of the brain although in varying degrees Students report a feeling of pleasant learning while they develop creative memory through logical emotional and conscious paraconscious activities in class *Black Enterprise*, 1993-03 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **OAG Business Travel Planner**, 2000
