

Strawberry Cupcakes

A triple dose of strawberries—in the cupcakes, frosting, and decorations—will make strawberry lovers really happy. If you want to punch up the pink color, add a few drops of red food coloring to the batter or buttercream.

MAKES 12 CUPCAKES

Preheat the oven to 350°F. Line a standard 12-cup muffin pan with paper or foil liners.

To make the cupcakes, in a small bowl, stir together the jam and chopped strawberries.

In a medium bowl, whisk together the flour, baking powder, and salt. In a large bowl, using an electric mixer, beat the granulated sugar and butter on medium-high speed until fluffy and pale, 1 to 2 minutes. Add the egg whites, vanilla, and red food coloring (if using) and beat until combined. Turn off the mixer and scrape down the bowl with a rubber spatula. Add about a third of the flour mixture and beat on low speed until just combined. Beat in half of the milk. Turn off the mixer. Add another third of the flour mixture and beat until just combined. Beat in the rest of the milk. Turn off the mixer. Add the rest of the flour mixture and beat until just combined. Fold in the strawberry jam mixture until just combined.

Divide the batter evenly among the prepared muffin cups, filling each about three-fourths full. Bake until lightly golden and a wooden skewer inserted in the center of a cupcake comes out clean, about 20 minutes. Remove the muffin pan from the oven and set it atop a wire rack. Let cool for 5 minutes, then carefully transfer the cupcakes directly to the rack. Let cool completely.
