

A portrait of Paul Revere, an American silversmith, engraver, and Revolutionary War soldier. He is shown from the chest up, wearing a white cravat, a white waistcoat, and a dark green jacket. He has his left hand resting on his chin and is holding a silver teapot in his right hand. The background is dark.

## American Legends The Life Of Paul Revere:

*American Legends* Charles River Charles River Editors, 2018-03-12 Includes Revere's firsthand account of his midnight ride Includes Longfellow's famous poem Paul Revere's Ride Includes pictures of Revere and important people places and events in his life Includes a Bibliography for further reading Out started six officers seized my bridle put their pistols to my breast ordered me to dismount which I did One of them who appeared to have the command there and much of a gentleman asked me where I came from I told him He asked what time I left I told him he seemed surprised said Sir may I crave your name I answered My name is Revere Paul Revere A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Over the course of 83 years Paul Revere was one of the most prominent citizens in Boston heralded for his silversmith work his participation in the Sons of Liberty and his service in the Massachusetts militia Bearing 16 children by two wives 11 of whom survived to adulthood Revere supported his large family by doing everything from dentistry to casting church bells and engraving the most popular image of the Boston Massacre His ability to roll copper into sheets made his work even more valuable to the dry docks and naval construction in Charlestown and around Boston Given everything he did for Boston and his community it would have no doubt greatly surprised Revere at the end of his life if he had known he would become an American legend for his midnight ride on the night of April 18 1775 As a fervent and well connected patriot who was part of Boston's intelligence network Revere was sent on the ride toward Lexington along with William Dawes with the intention of warning the countryside that British troops were heading that way presumably to arrest patriot leaders Samuel Adams and John Hancock After warning Adams and Hancock Revere Dawes and another messenger Samuel Prescott were stopped and detained by British soldiers on the path toward Concord and though Dawes and Prescott managed to escape Revere was escorted back toward Lexington by the British that morning As it turned out Revere and the patriots were wrong about the actual reason for the British march that morning and Revere did not successfully finish his own ride So why is he one of the most famous men of the colonial era The legend of Paul Revere can be almost completely credited to famous American poet Henry Wadsworth Longfellow whose poem Paul Revere's Ride has shaped the legacy of the man and his ride even though Longfellow intentionally took artistic license and fudged the historical accuracy in an effort to cast Revere as a hero To say it worked would be a drastic understatement American Legends The Life of Paul Revere chronicles the Midnight Ride that made Revere famous and includes his own account of it but it also covers the entire life and career of the patriot leader and humanizes one of the best known Bostonians of the day Along with pictures of important people places and events in his life you will learn about Paul Revere like you never have before in no time at all **Legends, Lies & Cherished Myths of American History** Richard Shenkman, 2013-03-26 Everyone knows

that Columbus discovered that the world was round the pilgrims lived in log cabins and America declared independence from England on July 4 1776 Except for one thing none of those facts are true Richard Shenkman best selling author of I Love Paul Revere and One Night Stands with American History reveals the truth behind our country s most popular and inaccurate lore in Legends Lies and Cherished Myths of American History This entertaining look at the real history of the United States is full of surprising facts and anecdotes about the people and events that built America Richard Shenkman is the New York Times best selling author of five history books including Legends Lies Cherished Myths of American History and I Love Paul Revere Educated at Vassar and Harvard he is an Emmy Award winning investigative reporter and the former managing editor of the news department at the CBS TV affiliate in Seattle He has been the host writer and producer of a prime time series on the Learning Channel and a regular contributor to the NBC Sunday Today show Facts go only skin deep but they can prickle memorably which is why books like this disabusing us of our cherished bunk are useful and fun New York Times Book Review The Life of Paul Revere Charles River Editors,2025-05-30 Out started six officers seized my bridle put their pistols to my breast ordered me to dismount which I did One of them who appeared to have the command there and much of a gentleman asked me where I came from I told him He asked what time I left I told him he seemed surprised said Sir may I crave your name I answered My name is Revere Paul Revere A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Over the course of 83 years Paul Revere was one of the most prominent citizens in Boston heralded for his silversmith work his participation in the Sons of Liberty and his service in the Massachusetts militia Bearing 16 children by two wives 11 of whom survived to adulthood Revere supported his large family by doing everything from dentistry to casting church bells and engraving the most popular image of the Boston Massacre His ability to roll copper into sheets made his work even more valuable to the dry docks and naval construction in Charlestown and around Boston Given everything he did for Boston and his community it would have no doubt greatly surprised Revere at the end of his life if he had known he would become an American legend for his midnight ride on the night of April 18 1775 As a fervent and well connected patriot who was part of Boston s intelligence network Revere was sent on the ride toward Lexington along with William Dawes with the intention of warning the countryside that British troops were heading that way presumably to arrest patriot leaders Samuel Adams and John Hancock After warning Adams and Hancock Revere Dawes and another messenger Samuel Prescott were stopped and detained by British soldiers on the path toward Concord and though Dawes and Prescott managed to escape Revere was escorted back toward Lexington by the British that morning As it turned out Revere and the patriots were wrong about the actual reason for the British march that morning and Revere did not successfully finish his own ride So why is he one of the most famous men of the colonial era The legend of Paul Revere can be

almost completely credited to famous American poet Henry Wadsworth Longfellow whose poem Paul Revere's Ride has shaped the legacy of the man and his ride even though Longfellow intentionally took artistic license and fudged the historical accuracy in an effort to cast Revere as a hero. To say it worked would be a drastic understatement. American Legends: The Life of Paul Revere chronicles the Midnight Ride that made Revere famous and includes his own account of it but it also covers the entire life and career of the patriot leader and humanizes one of the best known Bostonians of the day. Along with pictures of important people, places and events in his life, you will learn about Paul Revere like you never have before in no time at all.

**The Life of Colonel Paul Revere** Elbridge Henry Goss, 1912      **"I Love Paul Revere, Whether He Rode**

**Or Not"** Richard Shenkman, 2011-06-21 Richard Shenkman returns to debunk even more popular but inaccurate beliefs about the United States in the best selling sequel to *Legends Lies Cherished Myths of American History*. Readers will learn that flag waving is a relatively recent phenomenon, women have always worked both in and outside the house and that the Pilgrims spent their first winter in the New World complaining about the lack of beer. Provocative and amusingly heretical *I Love Paul Revere Whether He Rode or Not*, a quote attributed to Warren Harding, offers eye opening revelations that debunk long held American legends. Richard Shenkman is the New York Times best selling author of five history books including *Legends Lies Cherished Myths of American History* and *I Love Paul Revere*. Educated at Vassar and Harvard, he is an Emmy Award winning investigative reporter and the former managing editor of the news department at the CBS TV affiliate in Seattle. He has been the host, writer and producer of a prime time series on the Learning Channel and a regular contributor to the NBC Sunday Today show. There is a lot to enjoy in this entertaining little book. *New York Times Book Review*

**Paul Revere's Ride** David Hackett Fischer, 1994 Paul Revere's midnight ride looms as an almost mythical event in American history, yet it has been largely ignored by scholars and left to patriotic writers and debunkers. Now one of the foremost American historians offers the first serious look at the events of the night of April 18, 1775: what led up to it, what really happened and what followed, uncovering a truth far more remarkable than the myths of tradition. In *Paul Revere's Ride*, David Hackett Fischer fashions an exciting narrative that offers deep insight into the outbreak of revolution and the emergence of the American republic. Beginning in the years before the eruption of war, Fischer illuminates the figure of Paul Revere, a man far more complex than the simple artisan and messenger of tradition. Revere ranged widely through the complex world of Boston's revolutionary movement, from organizing local mechanics to mingling with the likes of John Hancock and Samuel Adams. When the fateful night arrived, more than sixty men and women joined him on his task of alarm; an operation Revere himself helped to organize and set in motion. Fischer recreates Revere's capture that night, showing how it had an important impact on the events that followed. He had an uncanny gift for being at the center of events, and the author follows him to Lexington Green, setting the stage for a fresh interpretation of the battle that began the war. Drawing on intensive new research, Fischer reveals a clash very different from both patriotic and iconoclastic myths. The local militia were elaborately organized and

intelligently led in a manner that had deep roots in New England On the morning of April 19 they fought in fixed positions and close formation twice breaking the British regulars In the afternoon the American officers switched tactics forging a ring of fire around the retreating enemy which they maintained for several hours an extraordinary feat of combat leadership In the days that followed Paul Revere led a new battle for public opinion which proved even more decisive than the fighting itself When the alarm riders of April 18 took to the streets they did not cry the British are coming for most of them still believed they were British Within a day many began to think differently For George Washington Thomas Jefferson John Adams and Thomas Paine the news of Lexington was their revolutionary Rubicon Paul Revere's Ride returns Paul Revere to center stage in these critical events capturing both the drama and the underlying developments in a triumphant return to narrative history at its finest

**The Life of Colonel Paul Revere** Elbridge Henry Goss,1972      **I Love Paul Revere**

Richard Shenkman,1992-12-01 At long last in paperback Richard Shenkman's bestselling sequel to *Legends Lies Cherished Myths of American History* Provocative and amusingly heretical *I Love Paul Revere Whether He Rode or Not* a quote attributed to Warren Harding offers eye opening revelations debunking long held American legends

### **American Legends The Life Of Paul Revere Introduction**

In the digital age, access to information has become easier than ever before. The ability to download American Legends The Life Of Paul Revere has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download American Legends The Life Of Paul Revere has opened up a world of possibilities. Downloading American Legends The Life Of Paul Revere provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading American Legends The Life Of Paul Revere has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download American Legends The Life Of Paul Revere. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading American Legends The Life Of Paul Revere. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading American Legends The Life Of Paul Revere, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download American Legends The Life Of Paul Revere has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About American Legends The Life Of Paul Revere Books**

1. Where can I buy American Legends The Life Of Paul Revere books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
