Environmental Education Teacher Resource Handbook Richard J. Wilke,1993 From the Preface The Environmental  
Education Teacher Resource Handbook is one of a series of practical references for curriculum developers education faculty  
veteran teachers and student teachers The handbook is designed to provide information on the background of environmental  
education EE curriculum as well as current comprehensive information on publications standards and special materials for K  
12 EE Think of this handbook as the first place to look when you are revising or developing your EE curriculum or if you need  
resource information on EE any time of the year This handbook does not seek to prescribe any particular form of curriculum  
nor does it follow any set of standards or guidelines Instead the book provides a general grounding in the EE curriculum so  
that you can use this information and then proceed in the direction best suited for your budget your school and your district  
What this handbook gives you is a sense of the numerous options that are available it is up to you to use the information to  
develop the appropriate curriculum or program for your situation     *EPIE Materials Report* ,1977     **EPIE Materials**
