Amorous Busboy Decatur Avenue Fifties:

The Amorous Busboy of Decatur Avenue Robert Klein,2016-06-14 Dear Reader When we asked the beloved award winning comedian and actor Robert Klein to write a book you can imagine our utter surprise when he told us that he wanted to write about sixth century Chinese pottery Thankfully he hit a creative brick wall since he doesn t really know anything about pottery from China or anywhere else Then came similar failures to write books about sea turtles circumnavigation of the globe building jet engines at home the sociology of chickens or fungi of the skin Luckily Mr Klein s paramount concern was the consumer He knew that if we his publishers were going to boldly ask you to purchase his book see above for price he would have to write something so good so worthwhile so meaningful as to make you want to send additional money to your bookseller in gratitude for having allowed you to partake in this reading experience So Mr Klein set out to write about what he knows best himself This book is about the adventures of a child who becomes a young man how he thinks and dreams and lusts and fears and laughs and handles adversity From the beginning of his distinguished career as a comedian Robert Klein established himself as a pioneer in observational humor and razor sharp routines that are infectiously funny Now for the first time Klein brings his trademark humor and honesty to the printed page In this portrait of a comic as a young man Klein takes us back to the people and streets of his Bronx neighborhood the eccentric cast of characters in the Catskills hotels and bungalow colonies where he worked the college dorms where he received more than an academic education the 1964 World s Fair where he fell in love New York City and Chicago in the 1960s as he developed his talent and Los Angeles just as he was about to embark on a show business career Throughout Klein reveals the hilarity of growing up and explores the mysteries and his own foibles in sex and relationships He recounts with wit and poignancy losing his virginity with a prostitute bringing home a German girlfriend to his Jewish family and the amorous adventures of the busboy he once was With an ego more fragile than Chinese pottery Robert Klein has written a funny and evocative coming of age memoir well worth the price if we say so ourselves Enjoy All the best The Publisher [The Amorous Busboy of Decatur Avenue](#) Robert Klein,2006-06-05 A funny and evocative coming of age memoir by Robert Klein the beloved and award winning comedian who has entertained audiences for more than four decades Best known for his unique brand of observational humor seen on Broadway and in film and television Klein details his life from ages nine to twenty five as seen through the gauze of time Klein s theme park of memories alternates dark moments with sunlit humor Teenage frustrations prompted a visit to a Harlem prostitute which filled Klein with shame and triumph and guilt He encountered individual and institutional anti-Semitism at Alfred University yet led the frat house fun moving on to the Yale School of Drama Chicago s Second City New York theater and a variety of romances Along the way Klein had successes and failures both in bed and on stage Probing not only his own psyche but also the evolution of sexual mores during the 1950s and 60s he unfurls an array of captivating anecdotes writing with wry wit and honesty [**The Second City Unscripted**](#) Mike Thomas,2012-06-30 Descriptions of Chicago s Second City comedy theater

group as told to the author by troupe members and historical information collected by the author **Kvetching and Shpritzing** Joseph Dorinson, 2015-10-15 Jewish humor with its rational skepticism and cutting social criticism permeates American popular culture. Scholars of humor from Sigmund Freud to Woody Allen have studied the essence of the Jewish joke at once a defense mechanism against a hostile world and a means of cultural affirmation. Where did this wit originate? Why do Jewish humorists work at the margins of so many diverse cultures? What accounts for the longevity of the Jewish joke? Do oppressed people as African American author Ralph Ellison suggested slip their yoke when they change the joke? Citing examples from prominent humorists and stand up comics this book examines the phenomenon of Jewish humor from its biblical origins to its prevalence in the modern diaspora revealing a mother lode of wit in language literature folklore music and history.

Just Kids From the Bronx Arlene Alda, 2015-03-03 Collected memories that evoke the history of one of America's most influential boroughs the Bronx through some of its many success stories. A down to earth inspiring book about the American promise fulfilled President Bill Clinton Fascinating Made me wish I had been born in the Bronx Barbara Walters The vivid oral histories in Arlene Alda's *Just Kids from the Bronx* reveal what it was like to grow up in the place that bred the influencers in just about every field of endeavor today. The Bronx is where Michael Kay the New York Yankees play by play broadcaster first experienced baseball where J Crew's CEO Millard Mickey Drexler found his ambition where Neil deGrasse Tyson and Dava Sobel fell in love with science early on and where music making inspired hip hop's Grandmaster Melle Mel to change the world of music forever. The parks the pick up games the tough and tender mothers the politics the gangs the food for people who grew up in the Bronx childhood recollections are fresh. Arlene Alda's own Bronx memories were a jumping off point from which to reminisce with a nun a police officer an urban planner and with Al Pacino Mary Higgins Clark Carl Reiner Colin Powell Maira Kalman Bobby Bonilla and many other leading artists athletes scientists and entrepreneurs experiences spanning six decades of Bronx living. Alda then arranged these pieces of the past from looking for violets along the banks of the Bronx River to the wake up calls from teachers who recognized potential into one great collective story a film like portrait of the Bronx from the early twentieth century until today. Entertaining and informative cherished memories from a diverse group from the Bronx.
