historical works **Prentice-Hall Tax Service for 1919 (Classic Reprint)** Prentice-Hall Inc,Prentice-Hall, inc,1919
Excerpt from Prentice Hall Tax Service for 1919 This allowance is not based upon the difference between the actual war cost of such facilities and what they would have cost at pre war prices Obviously the taxpayer is not entitled to recover or extinguish through amortization more than the difference between the war cost of such property and what he can sell the property for after the war or if he continues to need and use it in his business what it would have cost him after the war As the rule is expressed in Article 183 of the Regulations The total amount to be extinguished by amortization in general is the excess of the unextinguished or unrecovered cost of the property over its maximum value either for sale or for use as part of the plant or equipment of a going business under stable post war Conditions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Days Gone**

Days (Classic Reprint) Henry Williamson,2015-07-17 Excerpt from Dandelion Days My Dear Dakers For some time past I have been undecided whether to let you see this letter before you read the tale My original intention was to attach it to the end of the story lest its presence at the beginning might deter you from reading the book Upon reflection however I have decided to be honest with you to put my faith in your patience You may remember myself coming to see you a year after the end of the war with the manuscript of a book hidden in an old army blanket The blanket was not recognisable as such since with considerable skill I had fashioned an overcoat from it the script I had written during three weeks of fierce mid nights and famishing morrows following an almost intolerable pain Nevertheless you managed to read approximately words of my tale The kindly encouragement you gave me the hopes you aroused and most of all your friendship were directly responsible for my eventual retirement to the remote country there to devote all my time and energy to the recasting of my whole scheme and the selection of characters and episodes that would bear their part in its presentation I realised many things that I might have to starve that most things that make youth enjoyable I must forgo however I made some good friends in Devon so I did

not mind having but one meal a day It was borne upon me that one volume could not possibly contain all I had to say unless that volume were as big as the post war Who s Who and rivalry with such an immense work of fiction would be both fatuous and foolish But we have discussed this on many occasions and as you must be weary of it I will not exhaust you with further reminiscence Willie M addison I imagine is nearly eighteen years of age when he stands at the eastern edge of the spinney and bids fare well to the fields and the trees which he has known for so long About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

The Golden Days (Classic Reprint)

Edna Lyall, 2018-01-19 Excerpt from *The Golden Days* School boy indeed As little of a boy as ever I saw You ve kept him too close Randolph and that s a fact Mewed him up as though he were a convent maid He had good schooling at Westminster returned the other and if Dr Busby couldn t birch him into an ordi nary fellow how can I help it I m sure he has had enough thrashings from me alone to harden him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Colonial Days (Classic Reprint)

J. Max Clark, 2015-08-04 Excerpt from *Colonial Days* It is now nearly a third of a century since the Union Colony was organized and the settlement of Greeley and its immediate vicinity began Those who actively participated in the stirring scenes of that unique and interesting movement are rapidly passing away To young or middle aged people those who were born here within the first few years or came here as children there are still indistinct memories of those early days But to a large majority now living here and to all who came at a comparatively recent date the struggle for an existence under the adverse conditions of the time and all the joys and sorrows the hardships the successes and failures connected with that experiment in the desert are traditions merely and all knowledge of them but that preserved in the printed page will soon be lost About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Tropic Days (Classic Reprint)

E. J. Banfield, 2015-08-05 Excerpt from *Tropic Days* In my previous books the endeavour was to give exact if prosaic details of life on an island off the coast of North Queensland on which a few of the original inhabitants preserved their uncontaminated ways Here is presented another instalment of sketches of a quiet scene Again an attempt is made to describe not as ethnological specimens but as men and women types of a crude race in ordinary habit as

they live though not without a tint of imagination to embolden the better truths I thankfully acknowledge indebtedness to my friends Mr Charles Hedley of the Australian Museum Sydney Dr R Hamlyn Harris Director of the Queensland Museum and Mr Dodd S Clarke of Townsville N Q for valuable aid in the preparation of my notes for publication About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

TO-DAY (CLASSIC REPRINT). JOSEPHINE HOLLY. SCHOFIELD,2022 [On Some Antiquities in the Neighbourhood of](#)
[Dunecht House Aberdeenshire \(Classic Reprint\)](#) George Forrest Browne,2018-03-07 Excerpt from On Some Antiquities in the Neighbourhood of Dunecht House Aberdeenshire It was known to the archaeologist that there were ogam inscriptions in the district two Of them being among the most important in Caledonia and that within an easy motor drive there was a minuscule inscription of six lines Of which no satisfactory explanation had been given This inscription they had visited in a previous year Further the quick eye Of the hostess of Dunecht had caught sight of some curious sculptures on a stone by the road side on the way to the minus cule inscription and other like stones in the neighbourhood had been shewn in Stuart s two volumes of Sculptural Stones of Scotland The suggestion was then made that for the sake of visitors at Dunecht a sort Of guide book should be prepared giving some simple description of the several Objects and their meaning and uses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Handicap Robert E. Knowles,2015-07-05 Excerpt from The Handicap A Novel of Pioneer Days An how far might it

be to Liddel s Corners now boss The man who asked the question seemed very much in earnest about it and his tone which by the way was distinctly Irish implied that considerable hung upon the answer As one sets down the commonplace inquiry after the long lapse of years it certainly sounds insignificant enough But it was quite a different matter to the rosy cheeked traveller that frosty winter morning as the heavily laden stage made its creaking way along the primitive road that led from Hamilton to Glen Ridge Nor did the question seem a trifling one to the other occupants of the four seated sleigh if quick and eager glances in the direction of the driver may be considered evidences of interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
