**Classical Sociological Theory** George Ritzer, Jeffrey Stepnisky, 2016-12-27 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory George Ritzer and Jeffrey Stepnisky's *Classical Sociological Theory* Seventh Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century. The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories. New to this Edition In Ch 1 Colonialism is now discussed as a major social force in development of modern society In Ch 2 there is an expanded discussion of the historical significance of Early Women Founders and the contributions of W E B Du Bois The chapter on Du Bois Ch 9 includes new material about his intellectual influences New contemporary commentary about Durkheim has been added to Ch 7 Ch 9 includes new material from recently translated later writings of George Simmel providing new context for his overall theory Addition of Historical Context boxes throughout text Sections on contemporary applications of classical theory have been added to each chapter

**Sociological Theory** George Ritzer, Jeffrey Stepnisky, 2017-01-05 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Tenth Edition of *Sociological Theory* by George Ritzer and Jeffrey Stepnisky gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology's origins through the early 21st century. Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context. This text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts. New to this Edition Chapter 1 now includes a discussion of colonialism as one of the forces that shaped modern society. The Historical Sketch chapters contain new material on the historical significance of early women founders and on the contributions of W E B Du Bois. Chapters on Marx, Durkheim, Weber, and Simmel now conclude with sections on contemporary applications of ideas from these 19th century thinkers. A new chapter focuses theories of race, racism, and colonialism as well as theories about indigenous peoples and theories from the Global South that challenge the work of scholars from Europe and North America. The concluding chapter has a new section on theories of presumption, one of the newest developments in consumer theory. New material on colonization, women, classical theorists, and race theory as well as new timelines added to history chapters
