Answers For Kids Volume 6:

[The Answers Book for Kids Volume 6](#) Ken Ham, Bodie Hodge, 2013-09-01 Never short of questions let these titles bring answers to children who may just want to know or who may be struggling in their walk with Christ Parents and teachers need not be afraid of the tough questions with these solid apologetics titles in The Answers Book for Kids series. Too many children have grown up and left the Church because they asked tough questions and no one seemed to have an answer. Now here are those answers. Where was the Tower of Babel built? How many languages came from Babel? Have you ever found a frozen person from the Ice Age?

Elementary Apologetics (Teacher Guide) Craig Froman, 2017-03-01 Based on the amazing Answers Book for Kids series with answers to over 100 of their most difficult questions. This course features a four-day schedule Monday through Thursday but is easily adaptable to most any educational calendar. This apologetics study for upper elementary children delves into issues regarding the Bible, God, sin, dinosaurs, the Flood of Noah, salvation, astronomy, and more and is all based on actual questions asked by kids. Answers are important. If children aren't given answers to their questions about the Bible and the history, it reveals they cannot defend their faith against a fallen world. The course highlights the unique collection of question answer books from Ken Ham and the creative team at Answers in Genesis to meet this need and helps kids focus on Scripture memorization and faith building truth. The Bible verses quoted in the Answers Book for Kids series are from the New King James Version though kids are encouraged to write out their daily verses in the version they use each day. The Answers Book for Kids 1 The story of Creation and Adam and Eve in the Garden of Eden are familiar Bible stories. But they also present a wonderful opportunity to share important biblical truths with eagerly questioning minds through answers that even the youngest believer can understand. The Answers Book for Kids 2 Dinosaurs are fascinating creatures that kids simply adore and even the youngest believer can recite the biblical story of Noah and his ark. Now discover how to answer some of kids most interesting questions about dinosaurs and Noah's ark. The Answers Book for Kids 3 Even adults struggle to understand our Creator the infinite Being who seeks a personal relationship with each of us. Now children can begin to understand both God's Holy Word and the importance of Him in their lives what He expects from them why it is vital to follow His plan for their lives and the love He has for them. The Answers Book for Kids 4 At the heart of the Bible is the theme sin, salvation through Christ and guidance for living the kind of life that honors our Creator God. Since Adam and Eve chose to disobey in the Garden of Eden questions about sin, salvation and the Christian life have faced humanity so turn the pages to find the answers. The Answers Book for Kids 5 When kids look up at the stars in the night sky they will always have questions. Take this amazing opportunity to share some of God's answers and help strengthen their faith. The Answers Book for Kids 6 Kids may know the biblical account of the Tower of Babel but there is more to this important event than just the confusion of languages. And they may have heard of the Ice Age but it seemed confusing.

The Lie Ken Ham, 2024-09-15 Christianity is Under Massive Attack How will you and the coming generations stand firm

and uphold the truth of God's Word when the culture is forcefully demanding you believe lies. In this updated edition of *The Lie: Unraveling the Myth of Evolution Millions of Years* Ken Ham exposes how the acceptance of evolution and millions of years has eroded belief in God as Creator. This issue is crucial to understanding modern worldview dilemmas including gender and sexuality, abortion, racism, and the mass exodus from the church. Why is the Christian church losing ground in its battle with the secular world? Thousands of church leaders are nearing a dangerous precipice: the denial of the Bible's full authority and accuracy from its very first verse. Originally published in 1987, *The Lie* boldly predicted this trend. This compelling book is a must-read for all Christians, providing crucial answers to common questions from unbelievers and offering advice for parents preparing their children to face a rebellious secular world. Chapters include: Crumbling Foundations, The Evil Fruit of Evolutionary Thinking, Evangelism in a Pagan World, Wake Up Shepherds, Creation, Flood and Coming Fire. *The Lie* is more than just a book; it is a call to action, inviting the body of Christ to stand firm in their Christian faith, reject the lie of evolution, and uphold the truth of God's Word from the very beginning. As Romans 1:20-23 NKJV warns, those who reject God's truth are without excuse and their hearts are darkened. Will you stand firm and uphold the truth of God's Word?

The Dating Game Rick Bundschuh, 2006. Help your students think through how their faith should influence their dating habits. The Highway Visual Curriculum gives you compelling and entertaining video segments to encourage conversations and learning.

Buddy Davis' Cool Critters of the Ice Age Buddy Davis, Kay Davis, 2015-03-01. An exciting Ice Age animal exploration led by popular adventurer Buddy Davis. Discover elk with antlers over 12 feet long, rhino-like animals that ate plants, monster birds that called North and South America home, and more. Learn about glaciers, land bridges, how much of the world was covered in ice. Read about how and why the Ice Age happened and what the Bible reveals.
