## **A Poisonous Plot Matthew Bartholomew Chronicles:**

*A Poisonous Plot* Susanna Gregory, 2015-06-04 The twenty first chronicle in the Matthew Bartholomew series In 1358 over a century after its foundation in Cambridge the college of Michaelhouse is facing a serious shortfall of funds and competition from upstarts rivals such as Zachary Hostel Their problems are made no easier by the hostility of the town's inhabitants who favour the university moving away to the Fens This simmering tension threatens to break into violence when a well known tradesman is found dead in one of the colleges Matthew Bartholomew knows he was poisoned but cannot identify the actual substance never mind the killer He also worries that other illnesses and deaths may have been caused by the effluent from his sister's dye works Torn between loyalties to his kin and to his college he fears the truth may destroy both his personal and professional life but he knows he must use his skills as a physician to discover the truth before many more lose their lives entirely A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice [The Sanctuary Murders](#) Susanna Gregory, 2019-08-01 The twenty fourth chronicle of Matthew Bartholomew In 1360 Edward III issues a call to arms as sporadic attacks by the French threaten to turn into a full blown invasion In Cambridge fear of the enemy is magnified by the belief that foreign agents are lurking in the area Tension runs ever higher as rumours and ignorance fan the flames of suspicion amid preparations for war And then the first murder occurs of a French scholar living in the town At Michaelhouse Brother Michael is now Master but his reach of power in the University is under threat by the election of a new Chancellor and his cohort of dubious advisors Soon the Colleges begin to squabble amongst themselves as well as with the town that never wanted a University in the first place Amidst this atmosphere of swelling distrust physician Matthew Bartholomew is called upon to investigate mysterious deaths in a nearby hospital He quickly realises that there is something odd about the inmates and their keepers something dark and deadly which seems to be connected to the growing number of murders in the town Pressure mounts as the University and the town clamour for answers leading Bartholomew and Michael in a frantic quest for a solution before the powder keg of animosity in Cambridge is ignited A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice **The Habit of Murder** Susanna Gregory, 2017-08-24 For the twentieth anniversary of the start of the Matthew Bartholomew series Sphere is delighted to reissue all of the medieval monk's cases with beautiful new series style covers The twenty third chronicle of Matthew Bartholomew In 1360 a deputation from Cambridge ventures to the Suffolk town of Clare in the hope that the wealthy Elizabeth de Burgh has left a legacy to Michaelhouse Yet when they arrive they discover that the report of her death is false and that the college seems destined for bankruptcy Determined to see if some of its well heeled citizens can be persuaded to sponsor Michaelhouse Matthew Bartholomew Brother Michael and Master Langelee become enmeshed in the town's politics They quickly discover that a great many other people in Clare have recently met untimely deaths These

killings combined with the arrogance Lady de Burgh has shown over the refurbishment of the church and the grotesque behaviour of some of her entourage have created a dangerous restlessness in the town an atmosphere intensified when yet more murders occur One of the victims is a fellow traveller of the Michaelhouse contingent and Matthew Bartholomew and Brother Michael feel honour bound to identify his killer It is a hunt which takes them deep into Clare s murky foundations and which threatens their own survival as well as that of their beloved college A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice **The Chancellor's Secret** Susanna Gregory,2021-08-05 In 1360 the Great Bridge over the River Cam is close to collapse To repair it will cost the town and the University dear especially if its rotten wood is replaced by more durable stone As arguments rage over raising the money other equally heated differences are coming to the boil over the election of a new Chancellor While the majority support Brother Michael for the post at least one of his opponents aims to seize it by fair means or foul Then the discovery of a body under the bridge and the disappearance of two scholars throws a more sinister shadow over both disputes Matthew Bartholomew the University s Corpse Examiner already has his hands full due to marry in under a fortnight he is determined to conclude his teaching duties and deal with an outbreak of the summer flux before relinquishing his official duties With more deaths an accident at the bridge and an increasing stench of corruption over the financing of the bridge s repairs he realises he owes more to his soon to be former colleagues than to his future life as a secular doctor But will there be enough time for him to unveil the identities of those who seek to undermine both the town and the University or will he prove powerless to protect those he loves from death or disgrace or worse *A Grave Concern* Susanna Gregory,2016-06-02 For the twentieth anniversary of the start of the Matthew Bartholomew series Sphere is delighted to reissue all of the medieval monk s cases with beautiful new series style covers The twenty second chronicle of Matthew Bartholomew Identifying the murderer of the Chancellor of the University is not the only challenge facing physician Matthew Bartholomew Many of his patients have been made worse by the ministrations of a surgeon recently arrived from Nottingham his sister is being rooked by the mason she has commissioned to build her husband s tomb and his friend Brother Michael has been offered a Bishopric which will cause him to leave Cambridge Brother Michael keen to leave the University in good order is determined that the new Chancellor will be a man of his choosing The number of contenders putting themselves forward for election threatens to get out of control then more deaths in mysterious circumstances make it appear that someone is taking extreme measures to manipulate the competition With passions running high and a bold killer at large both Bartholomew and Brother Michael fear the very future of the University is at stake A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice *The Publishers Weekly* ,2008 **The Mark Of A Murderer** Susanna Gregory,2010-12-02 For the twentieth anniversary of the start of the Matthew Bartholomew series Sphere is delighted to reissue all of the medieval monk s cases with beautiful

new series style covers The winter of 1353 has been appallingly wet there is a fever outbreak amongst the poorer townspeople and the country is not yet fully recovered from the aftermath of the plague The increasing reputation and wealth of the Cambridge colleges are causing dangerous tensions between the town Church and University Matthew Bartholomew is called to look into the deaths of three members of the University of who died from drinking poisoned wine and soon he stumbles upon criminal activities that implicate his relatives friends and colleagues so he must solve the case before matters in the town get out of hand On St Scholastica s Day in February 1355 Oxford explodes in one of the most serious riots of its turbulent history Fearing for their lives the scholars flee the city and some choose the University at Cambridge as their temporary refuge However they don t remain safe for long Within hours of their arrival the first of their number dies followed quickly by a second When Bartholomew and Brother Michael begin to investigate the deaths they uncover evidence that the Oxford riot was not a case of random violence but part of a carefully orchestrated plot With the Archbishop of Canterbury about to honour Cambridge with a Visitation and a close colleague accused of a series of murders Bartholomew is certain he didn t commit the race is on to solve the riddles and bring a ruthless killer to justice *Library Journal* Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 2004 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately
