Preventing Banking Sector Distress and Crises in Latin America Suman K. Bery, Valeriano F. García, 1997-01-01 World Bank Technical Paper No 361 Education has emerged as an essential component of the transition to a market economy in Central and Eastern Europe. Although the countries of the region inherited broadly accessible education systems the legacies of central planning have constrained the systems from fully adjusting to market economies. This study examines empirical trends in access to and financing of education in nine Central and East European countries by drawing on the findings of a World Bank project that examined the social risks facing people and the policy responses taken by governments since 1989. Chapters address access and participation the labor market financing and staff in the education sector *The Star in the Meadow* Carla Kelly, 2017-02-04 Marco Mondragón and his wife Paloma are living hectic but happy lives at the Double Cross on the edge of Comanchería. Five years after the death of Comanche leader Cuerno Verde cautious diplomacy between the tribe and the colonists is underway to end Comanche raids into New Mexico. Paloma's time has been fully consumed by her two toddlers and newborn son and Marco's by spring planting. The Seven Year Audit of 1784 arrives and with it comes auditor Fernando Ygnacio. After years of incarceration for a crime he did not commit Se or Ygnacio is a broken man. Although his daughter Catalina is bitter about his mistreatment by his superiors her storytelling abilities captivate the household including a frequent visitor from the nearby presidio El Teniente Joaquim Gasca who has been undergoing his own reformation from rascal to leader. Unknown to him Marco has peculiar enemies plotting his downfall. When Paloma and Catalina set out on a visit to Marco's sister meant to give Paloma relief from her busy life the women are kidnapped. Devastated Marco is torn between love and duty. He yearns to search for his wife but feels bound by colonial duties to accompany his friend Toshua to Río Napeste where Comanches have gathered to debate the region's fragile peace. In his absence from the Double Cross will Joaquim Gasca and Toshua's wife Eckapeta be able to find the missing women?
