regarded as conveniently separate spheres but recognized as deeply entangled and intertwined Diffractive Reading ultimately represents a new reading of reading itself firstly by critiquing the distanced perspective of critical paradigms such as translation and intertextuality in which texts encountered processed or otherwise subdued secondly showing how all literary and cultural readings represent different agential cuts in the world text reader constellation which is always both discursive and material and thirdly the volume materializes dynamizes and politicizes the activity of reading by drawing attention to reading s intervention in and co creation of the world in which we live **Infrastructures of Crisis in Global**

Ali Smith,2024-04-02 Ali Smith s beautifully written precise poetic The Observer debut that follows the briefly intertwined lives of two young women When we meet Amy Shone she is a young parent struggling to raise Kate a precocious eight year old Amy is an enigma a brilliant scholar who has forgotten how to read She is estranged from her wealthy English parents

and lives a nomadic life in Scotland dragging Kate from one school to the next barely scraping by And then there is Ash a fiery Scottish actresss who cannot shake her demons chief among them an unrequited passion for Amy that has obsessed her ever since they met as teenagers Like is the story of two parallel lives that intersect briefly then diverge It is also a timeless evocation of adolescence and its agonizing anticipations its contradictory yearnings for freedom and safety its blind quest for mastery over pleasure and pain Deftly constructed passionately imagined Like is a remarkable debut from a powerful talent

There But For The Ali Smith,2012-07-24 From the acclaimed award winning author when a dinner party guest named Miles locks himself in an upstairs room and refuses to come out he sets off a media frenzy He also sets in motion a mesmerizing puzzle of a novel one that harnesses acrobatic verbal playfulness to a truly affecting story Miles communicates only by cryptic notes slipped under the door We see him through the eyes of four people who barely know him ranging from a precocious child to a confused elderly woman But while the characters wit and wordplay soar their story remains profoundly grounded As it probes our paradoxical need for both separation and true connection There but for the balances cleverness with compassion the surreal with the deeply movingly real in a way that only Ali Smith can
