Recipes: A Complete Cookbook of Us Dish Ideas! Anthony Boundy, 2019-03-15 Does American cuisine intrigue you Since these dishes evolved from those brought to America by people all over the world it's quite natural that some ingredients and techniques mirror these various cuisines Americans have a special place for the foods they love best Some dishes are related to holidays and they are a part of basic socializing Ultimately they offer a look at the past and present influences on the delights of American cooking The recipes in this book come from all areas of America and are arranged by geographical areas That makes it easier to find dishes from specific areas of interest to you It is often said that America does not have her own cuisine since many of the recipes originated elsewhere But actually American cuisine has more to offer than you might think Can your recipes gain something from the richness that is uniquely American Yes of course This cookbook will show you ways to make these dishes your own and share them with others Depending on your area of interest or travel in America you can enjoy such a wide array of regional recipes Many are influenced by the culture of immigrants but even then you will find adaptations so that local ingredients can be used Some are original to America too Turn the page and let's get started

**The All-American Cook Book**, 1922 *The All American Cookbook* Ben Goode, Wayne Allred, 2002-01-01 **The All American Cookbook** Daniel Humphreys, 2017-11-07 Every country and region in the world has its particular dish or cuisine. Often these are influenced by its natural resources; for instance, snails in France and rice in China. Experiencing foods made and eaten in a particular place is one of the many highs of travel. By embracing local delicacies and dishes and coming out of your foodie comfort zone, you can enjoy new and exciting flavors. The world is a melting pot of flavor and taste. This diversity of tastes has never been truer than in the case of America. The USA is one of the most divergent nations in the whole world, with citizens being able to trace their roots to countries all over the globe. From the Gulf Coast to the Midwest, you will experience variations in cuisine that will challenge and delight your taste buds. This cookbook will take you on a culinary road trip around America. We delve into the history of each state, bringing you unique dishes using state-designated fruits and vegetables, indigenous seafood, game, and grains. Create sweet and savory recipes influenced by pilgrims and immigrants from the far-flung corners of the world, including Russia, Italy, and China. Without stating the obvious, and as delicious as they indeed are, the cuisine of the US has a lot more to offer than Key Lime Pie and Fried Green Tomatoes. From the South, we bring you Brown Sugar Pork Chops with Peach BBQ Sauce, Baked Ham in Cola, and Old Charleston Style Shrimp and Grits. Travel inland to the Midwest and discover Bourbon Burgoo, Kuchen, and Buckeyes. While in North America, you can enjoy a big piece of Huckleberry Pie or a hearty Potato Dumpling Soup. From the Atlantic to the Pacific, we've included one must-make dish from every one of the 50 states. Recipes you can create in your kitchen, no backpack or bus ticket required.
