## **Beyond Leading And Managing:**

**Beyond Leading and Managing** Patricia S. Yoder-Wise, Karren Kowalski, 2006 Beyond Leading and Managing focuses on real life stories and anecdotes about the practice of nursing administration. It highlights key information such as advanced administrative theory, financial decisions, quality control, working with external groups and individuals, planning strategically, and creating new opportunities within the profession. Theory boxes, case studies, and current literature and research located both in the book and on the Evolve website help the reader grasp the key points, remember them, and think about the practicality of the content in the real world of leading in healthcare organizations. A brief overview of the chapter helps focus readers and the content builds the base of important information about the topic. Literature boxes pull out and summarize key relevant theories in nursing administration. Contemplations questions to ponder about the topic are included to help readers think about the practicality of the content. Leadership Stories offer actual scenarios of practice from a professional view. Administration certification is included as key content in the text. Evolve website offers web links and current research literature recommended by the authors. Beyond Leading and Managing is a NEW leadership and management text.

*Leading and Managing in Nursing - E-Book* Patricia S. Yoder-Wise, 2014-10-07 *Leading and Managing in Nursing* 6th Edition offers an innovative approach to leading and managing by merging theory, research, and practical application to better prepare you for the NCLEX exam and the transition to the practice environment. This cutting edge text is organized around the issues that are central to the success of professional nurses in today's constantly changing healthcare environment, including consumer relationships, cultural diversity, resource management, delegation, and communication. UNIQUE Each chapter opens with *The Challenge* where practicing nurse leaders/managers offer their real world views of a concern related in the chapter, encouraging you to think about how you would handle the situation. UNIQUE *The Solution* closes each chapter with an effective method to handle the real life situation presented in *The Challenge* and demonstrates the ins and outs of problem solving in practice. *The Evidence* boxes in each chapter summarize relevant concepts and research from nursing, business, medicine, and literature. *Theory* boxes highlight and summarize pertinent theoretical concepts related to chapter content. *Research and Literature Perspective* boxes summarize timely articles of interest and point out their relevance and applicability to practice.
