Beyond The Plain And Simple A Patchwork Of Amish Lives:

Beyond the Plain and Simple Pauline Stevick,2006 **Beyond the Plain and Simple** Pauline Stevick,2006 A series of vignettes describing Amish people and customs Pauline Stevick has visited more than 50 Amish homes in numerous Amish settlements across the country She has attended weddings viewings school sessions and programs family gatherings and more than a dozen church services She has ridden in Amish carriages and has even slept in Amish homes Through her close association with the Amish she has gained unique perspective and is able to provide keen insight into a culture that is misunderstood by many Beyond the Plain and Simple reminds readers that although the Amish dress in almost identical clothing they have distinct personalities and convictions In vignettes and reflections she reveals the ways in which members of the Amish community live out their faith against the background of their communal culture all the while emphasizing their individuality Topics range from Amish family values to women to a retirement community in Florida to an Amish intellectual Stevick s eloquent narration is descriptive rather than expository as she often draws comparisons between Amish society and mainstream society sometimes preferring the Amish ways and at other times questioning them Beyond the Plain and Simple portrays the Amish as dynamic people who experience struggles failures and successes not unique to their community

Growing Up Amish Richard A. Stevick,2014-06-15 Accurately reveals the challenges faced by Amish youth caught between the expectations of traditional community and the pressures and temptations of adolescence On the surface it appears that little has changed for Amish youth in the past decade children learn to work hard early in life they complete school by age fourteen or fifteen and a year or two later they begin Rumspringa that brief period during which they are free to date and explore the outside world before choosing whether to embrace a lifetime of Amish faith and culture But the Internet and social media may be having a profound influence on significant numbers of the Youngie according to Richard A Stevick who says that Amish teenagers are now exposed to a world that did not exist for them only a few years ago Once hidden in physical mailboxes announcements of weekend parties are now posted on Facebook Today thousands of Youngie in large Amish settlements are dedicated smartphone and Internet users forcing them to navigate carefully between technology and religion Updated photographs throughout this edition of Growing Up Amish include a screenshot from an Amish teenager s Facebook page In the second edition of Growing Up Amish Stevick draws on decades of experience working with and studying Amish adolescents across the United States to produce this well rounded definitive and realistic view of contemporary Amish youth Besides discussing the impact of smartphones and social media usage he carefully examines work and leisure rites of passage the rise of supervised youth groups courtship rituals weddings and the remarkable Amish retention rate Finally Stevick contemplates the potential of electronic media to significantly alter traditional Amish practices culture and staying power All About the Amish Karen Johnson-Weiner,2021-03-02 Everything you want to know about the Amish but are afraid to ask Do the Amish pay taxes Are they Christians Why do they use horses and buggies but agree to ride

in other people's cars And how can they even survive in the contemporary world In All about the Amish Amish expert Karen Johnson Weiner answers the most commonly asked questions people have about the Old Order Amish After more than thirty years of being friends with the Amish and studying their faith and culture Johnson Weiner offers authoritative answers to the most common questions about the unique Amish faith and lifestyle Got questions about Amish beliefs Families Churches

Growing Up in Religious Communities Sheila Stewart, 2015-02-03 It can be tough to be different Children growing up in a religious community are separated from the rest of the world in some way or another either by what they wear their rituals what they are not allowed to eat or do or else by not mixing at all with those outside the community These families have many strengths and can give their children a strong emotional foundation on which to build their own lives but they also have their own set of challenges The families in this book have dealt with some of these challenges Whether or not these families children grow up and remain a part of the community their experiences will always be with them
