Miracle at Augusta James Patterson, 2015-04-06 One year after his big golf tournament win Travis McKinley struggles to find a place in the world of professional sports in this inspiring novel. A year ago unknown golfing amateur Travis McKinley shocked the world by winning the PGA Senior Open at Pebble Beach. Now he's famous, he makes his living playing the game he loves, and everything should be perfect. Still, Travis can't shake the feeling that he's a fraud, an imposter who doesn't deserve his success, and after a series of disappointments and personal screw-ups, he might just prove himself right. A shot at redemption arrives in an unexpected form: a teenage outcast with troubles of his own and a natural golf swing. As this unlikely duo sets out to achieve the impossible on the world's most revered golf course, Travis is about to learn that sometimes the greatest miracles of all take place when no one is watching. *100 Things Blackhawks Fans Should Know and Do Before They Die* Tab Bamford, 2011-11 All sports fans want to see their team win the championship, but being a fan is about more than watching your team win the big game. , 1956 **You Could Believe in Nothing** Jamie Fitzpatrick, 2014-05-26 Jamie Fitzpatrick's debut novel tells of a muddled adulthood in St. John's Newfoundland. Derek is forty-one years old. His girlfriend has just left him for a job in Ottawa; his father, a DJ at the local classic rock station, is about to go to court, and his rec hockey team is up in arms about a TV reporter's attempts to glorify their weekly games. When Derek's half-brother, Curtis, comes home, the visit stirs up nagging questions about their parents' early days, and Derek examines again what it means to make commitments that may or may not bring real happiness. Fitzpatrick captures the subtleties of casual conversation and the often understated wit that emerges between old friends. Having grown up after the decline of whatever might have been the real Newfoundland, Derek and his teammates are generally at a loss to defend the urban, mostly wayward lives they occupy. Set into a wet spring in St. John's, its rinks, streets, and landmarks, and the sunken map of old haunts and years gone by, *You Could Believe in Nothing* is a study in familiarity and self-definition, underlining how little we sometimes know about ourselves and the people we know best.

Fleet Owner, 1955

The Loser's Ball Bob Lannom, 2024-07-08 This is the story of a farm kid who grew up on a small dairy farm with the dream of playing baseball for the Tennessee Volunteers. There was no Little League, nor did his high school have a baseball program. He was left to develop his skills through creative techniques in preparation for his time to come. He became a rock hitter, pitching up rocks and smacking them with old axe handles. The book details how he dealt with Loser's Balls and how he worked through his losses by not giving up but giving out with his determined work ethic to pocket the negatives and climb out of the loser's bracket as he turned his Loser's Balls into Opportunity Balls, winning many championships along the way. You will learn that losses are often disguised as foundations for upcoming victories greater than your expectations not only in sports but in the extra innings of the game of life. Philippians 4:13
