Hidden Job Market:

Cracking The Hidden Job Market Donald Asher, 2010-12-28 Can't find a job? Maybe you're seeing only half the picture. Half the job market is invisible. Are you spending all your time applying to posted job openings/postings that draw hundreds and in some cases thousands of applications? No matter how perfect you are for the job, there is always someone else who's a little more qualified, more experienced. The key to success in the current job market is breaking through to the hidden job market. Over half of all jobs go to someone who did not apply to a posted opening at all. What are they doing and how are they doing it? They're finding new jobs before the posting hits the Internet. Career guru Donald Asher offers proven strategies for finding great opportunities in any industry. With *Cracking the Hidden Job Market*, you'll stop wasting time and effort and beat the job search odds by learning how to find jobs that are never posted anywhere, get complete strangers to help you find a job, convince potential employers to give you an interview even when they're not hiring, find and land the new jobs in this or any economy. Every page of *Cracking the Hidden Job Market* is packed with no-frills fundamentals to change the way you look for a job this time and forever.

The Hidden Job Market for the 80's Tom Jackson, Davidyne Mayleas, 1981

Unlock the Hidden Job Market Duncan Mathison, Martha I. Finney, 2009-09-20 More than 70% of today's job opportunities come through the hidden job market; they're never advertised, assigned to search firms or internal recruiters or displayed at job fairs. What's more, as employers cut recruiting costs, the proportion of hidden job opportunities is actually growing. And since most jobseekers know practically nothing about it, those who do understand it have a powerful inside advantage. Now two career experts reveal the hidden job market and show how to use it to dramatically improve your chances of landing a job that fits your passions and skills perfectly. Duncan Mathison and best-selling author Martha Finney help you launch a custom personal job search that avoids competing with thousands of desperate laid-off job seekers. Learn how to use the hidden job market to leapfrog salary levels or even change professions. Uncover hidden market opportunities and your target employers' unspoken needs and wants. Tell your story in two minutes and make people want to know more. Get the interviews that count and run them like a pro. Network without sounding phony, lame or desperate. Reframe experiences, passions and hobbies as transferrable skills. Build a strategic support team of advisors. Identify a dead-ended job search and get it restarted. Negotiate compensation for hidden jobs.

Secrets of the Hidden Job Market Bob Rogers, Steve Johnson, Bill Alexander, 1986

Find a Job in the Hidden Job Market Sarah Johnston, 2020 80% of jobs are not posted on job boards or company websites. These positions are filled in the hidden job market. In this course, you can learn how to access these unadvertised jobs by targeting your search, changing how and where you network, and taking action to supercharge your job hunt. Career strategist and former recruiter Sarah Johnston shows how to refine your job search goals, identify the companies you want to work for, and focus your efforts. She explains how to get your foot in the door by requesting an informational interview and how to build a network of contacts through conferences, trade associations, job search clubs, and more. Each tip helps you

build valuable momentum and skills for a successful job search **Get Hired Fast!** Brian Graham, 2005-02-01 The Job Search Technique Most Recommended by Top Career Counselors You lost your job six months ago You've emailed 90 resumes You've scoured the job boards and the help wanted ads You've called recruiters old bosses former coworkers but nothing You're scared You're beginning to think there are no jobs out there But there ARE jobs And you can get one of them if you're willing to try the job search technique that most people are too timid to try If you're one of 9 million Americans looking for a job you don't want to go 12 to 24 months without a job offer as many do The trick is to tap into the hidden job market where 90 percent of the jobs really are Get Hired FAST shows you how to use a direct calling strategy that will generate at least three interviews in three weeks It gives you a 15 day Action Plan complete with charts scripts and other tools that will enable you to use the direct calling technique like a professional This no holds barred book also includes insider advice on how to ace the interview once your calling strategy pays off negotiate the best offer and keep the job once you get it Get Hired FAST shows you where and how to identify key contacts in target companies how to uncover crucial data about target companies how to script calls to hiring managers in advance and handle any scenario from voicemail to conversations with contacts staffers **Networking Strategies to Find Jobs in the Hidden Job Market** Katherine Moody, 2017-02-21 Networking Strategies to Find Jobs in the Hidden Job Market For Job Seekers who Hate Networking Plus BONUS Report How to Create a Real Connection in Just 5 Minutes Good news and bad news Networking is how most people get their foot in the door and end their job search But if you are like I was you may think you are too introverted were born with no networking genes or just generally dislike the whole idea Help is here for you in this book written just for job seekers Until I learned these techniques my job search was one of the most painful events in my life Even though I had been a successful executive in a networking software firm I actually hid in the ladies room to avoid going into the networking meeting where there were people who might actually hire me Here are just a few of the essential no fluff techniques you'll learn without all the usually blah blah blah that I found in networking books I read If You Think Sending Resumes to Everyone You Know is Networking Rethink why it actually does damage to your job search Pain free Way to Work the Room haven't you always secretly wanted to do this Now you can How to prepare to answer the one essential question to find jobs in the hidden job market the one you must answer even if they don't ask How to take control so you actually get results faster most job seekers are doing this wrong Special report included Your Brand Advantage unlike exercises I read in other books that frankly were too boring too hard and too time consuming this is faster and easier than you would think possible Tip a powerful brand that makes you memorable and desirable to hiring managers probably won't be useful in your love life Find it Difficult to Toot Your Own Horn Here's the Solution it's probably the most valuable way to get to the head of the long line of candidates People often think that either you have the skill to network or you don't But let me assure you the techniques revealed in this book will help you network comfortably successfully and in a way that works no matter what your style You

can easily create a powerful network that would ensure you d never worry about looking for work again As a matter of fact networking can mean the jobs come to you and you might never have to do another job search I know you will find my networking strategies to be the keys you need to unlock the hidden job market to find that new job you are seeking And they ll be easy approaches that are actually fun to do BUY NOW and you ll be a hidden job market insider very soon **Hidden Job Market** ,1999 2 000 companies hiring at four times the national average *Peterson's Hidden Job Market, 1998 ,1997*
