Trail Mix Catherine A Rodgers, 2025-07-15. After all the years, all those

miles logged and all those footraces completed the author believes that her past accomplishments still offer little evidence that she is a runner What Cathy does admit is the one thing she says she's got going for her she continues to show up at the start And once you start what after all is one more step This is the story about the author showing up to run half marathons on all seven continents Showing up to support both of her daughters to do the same and becoming the very first mother daughter team to run half marathons on every continent Showing up to meet a challenge from one of her sisters that led to these life changing accomplishments For Cathy though arriving at the finish line merely put her at a new starting line What's next for this non runner
