

OHIO'S BLACK SOLDIERS

WHO SERVED IN THE CIVIL WAR

ERIC EUGENE JOHNSON

Ohio S Black Soldiers Who Served In The Civil War

United States. Congress

Ohio's Black Soldiers Who Served In The Civil War:

Ohio's Black Soldiers who Served in the Civil War Eric Eugene Johnson, 2014 Ohio's Black soldiers have always been in the forefront of this nation's wars and the American Civil War is no exception. The state raised two infantry regiments for the United States Colored Troops during this war and then sent recruits to other regiments organizing in the South. Over 6 700 Black Ohioans served in this war and the names of many of these men have been lost until now. The Official Roster of the Soldiers of the State of Ohio in the War of the Rebellion 1861-1866 has the rosters for the two Black regiments and additionally the names of 1 007 more men who were listed as being unassigned to a regiment for a total of 5 092 men. This roster simply states no further record found for these men. The author has researched each man using the Compiled Military Service Records of Colored Troops and he has been able to identify the regiments in which these other men were assigned. In the process he was also able to identify over 1 600 more Black Ohioans who are not listed in the Official Roster of the Soldiers of the State of Ohio in the War of the Rebellion 1861-1866. Besides listing the name of each soldier and his regiment, this book also lists the company, rank, age, birth place, enlistment and discharge information and death and burial information if it occurred during the war. The author was also able to identify a number of Blacks who served with Ohio's white volunteers both as combatants and non-combatants.

With Diplomas of Patriotism Amy L. Crow, 2009 In the past two decades historians have begun to focus attention on the story and struggle of the more than 186 000 African American men who served in the Civil War. While scholars have produced books such as *Forged in Battle* and *Black Soldiers in Blue* which have greatly advanced knowledge about the role of these men during the war, relatively little has been written about what happened to these men after they returned home. There are several noteworthy books about the post-war experiences of Union soldiers. However, none of them delve deeply into the topic of African American veterans. A notable exception to this pattern of scholarship is Donald Shaffer's book *After the Glory*. In this book Shaffer gives the results of his research into the post-war experience of black veterans. His groundbreaking research compares African American veterans to white veterans and to a lesser extent to the African American population as a whole. The goal of *With Diplomas of Patriotism* is to see whether Shaffer's conclusion holds true in Ohio. Using Springfield as a case study, African American veterans were compared with white veterans and with African Americans who did not serve in the Civil War. The results were somewhat surprising.

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans. In nearly seven hundred entries, the *Encyclopedia of African American History 1619-1895* documents the full range of the African American experience during that period, from the arrival of the first slave ship to the death of Frederick Douglass, and shows how all aspects of American culture, history, and national identity have been profoundly influenced by the experience of African Americans. The *Encyclopedia* covers an extraordinary range of subjects. Major topics such as Abolitionism, Black Nationalism, the Civil War, the Dred Scott case, Reconstruction,

Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

Herringshaw's American Blue-book of Biography, 1914 **Ohio Negroes in the Civil War** Charles Harris Wesley, 1962 *The 27th United States Colored Troops* Kelly D. Selby, 2008

The 27th United States Colored Troops consisted largely of Ohioans They served in the Union Army from April 1864 to September 1865 in Virginia and North Carolina These men who were already free before the war hoped that their participation would lead to increased rights in the northern states The creation and success of the 166 black regiments during the Civil War served as contradictory evidence against the tenets of nineteenth century ideals of white racial superiority Black troops had confidence in their military accomplishments therefore they believed that their manhood should be recognized as carrying the same birthright of political and social justice as white soldiers The men of the 27th returned to Ohio after the war They and their families optimistically sought full access to the Fourteenth and Fifteenth Amendments and compensatory citizenship rights for their collective sacrifice For the rest of their lives black veterans experienced both success and disappointment as they strived to obtain their due In spite of Ohio s persistently discriminatory atmosphere they contributed significantly to societal changes in northern communities during the postwar years This dissertation expands the discussion of black wartime participation to include the postwar results of their involvement It moves the conversation away from the debate over the degree of significance that can be attributed to black troops concerning Union victory or Confederate loss Instead this project analyzes how the Civil War and African American participation affected post bellum society Specifically how free Ohio blacks interpreted and understood their own participation in the Civil War It also reveals how they and their families used their military service to negotiate an increased

role in Ohio society and obtain the benefits of federal citizenship Despite the white resistance to blacks obtaining their rights African Americans who served in the 27th Regiment understood their role in helping to preserve the Union Ultimately they used their position as martial citizens to pursue personal gains But they also gave the Ohio black community realistic hope of achieving equal status as American citizens through the tangible evidence provided by their receipt of pensions GAR membership and participation in Civil War commemorative activities *Herringshaw's American Statesman and Public Official Year-book*, 1914 *American Blue-book of Biography* Thomas William Herringshaw, 1914 **The American Blue Book of Biography**, 1914 **The Leary-Evans, Ohio's Free People of Color** Robert Ewell Greene, 1979 **Black Resistance Movements in the United States and Africa, 1800-1993** Felton O'Neal Best, 1995 This collection of new interdisciplinary studies focuses on black resistance patterns in literature humor art cinema history and science from the antebellum South to contemporary Brooklyn to anti colonialist movements on the African continent Adapted from publisher's description **Army History**, 1999 *The Encyclopedia of Cleveland History* David Dirck Van Tassel, 1996 Clevelanders are rediscovering the richness of their history and the encyclopedia project has played a vital role in this process Northwest Ohio Quarterly These two volumes clearly establish a standard for encyclopedias devoted to city history and biography Choice Both volumes are interesting to read and are useful reference tools American Reference Books Annual The first edition of this remarkable encyclopedia was published in 1987 to enthusiastic reviews Out of print for several years the Encyclopedia is now being reissued in an expanded two volume format to commemorate the bicentennial of Cleveland's founding Volume One The Encyclopedia of Cleveland History contains more than 2000 entries 150 photographs maps and charts Volume Two the Dictionary of Cleveland Biography with over 1600 entries is the first major biographical guide to Cleveland published since the 1920s *Herringshaw's National Library of American Biography* Thomas William Herringshaw, 1914 *The Black Abolitionist Papers: The United States, 1859-1865* C. Peter Ripley, 1985 A collection of documents tracing the struggle for Blacks to gain their freedom from slavery **Congressional Record** United States. Congress, 1967 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The American Midwest** Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth

of information about the region s surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region s history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination *History of the Western Reserve* Harriet Taylor Upton,1910 *Herringshaw's Encyclopedia of American Biography of the Nineteenth Century* Thomas William Herringshaw,1898 **The National Cyclopaedia of American Biography** ,1893
