Raise High the Roof Beam, Carpenters and Seymour: An Introduction J. D. Salinger, 2019-08-13 The last book length work of fiction by J D Salinger published in his lifetime collects two novellas about one of the liveliest funniest most fully realized families in all fiction New York Times These two novellas set seventeen years apart are both concerned with Seymour Glass the eldest son of J D Salinger s fictional Glass family as recalled by his closest brother Buddy He was a great many things to a great many people while he lived and virtually all things to his brothers and sisters in our somewhat outsized family Surely he was all real things to us our blue striped unicorn our double lensed burning glass our consultant genius our portable conscience our supercargo and our one full poet **Raise High the Roof Beam, Carpenters and Seymour** Jerome David Salinger, 1986 Raise High the Roof Beam, Carpenters Jerome David Salinger, 1959 Two stories about the Glass family narrated by Buddy Glass and centered on Buddy s older brother Seymour *Raise High. the Roof Beam, Carpenters and Seymour, an Introduction* Jerome David Salinger, 1959 **Franny and Zooey** Jerome David Salinger, 1981 The author writes FRANNY came out in The New Yorker in 1955 and was swiftly followed in 1957 by ZOOEY Both stories are early critical entries in a narrative series I m doing about a family of settlers in twentieth century New York the Glasses It is a long term project patently an ambiguous one and there is a real enough danger I suppose that sooner or later I ll bog down perhaps disappear entirely in my own methods locutions and mannerisms On the whole though I m very hopeful I love working on these Glass stories I ve been waiting for them most of my life and I think I have fairly decent monomaniacal plans to finish them with due care and all available skill Raise High the Roof Beam, Carpenters J. D. Salinger, 1965 Buddy Glass introduces his older brother and describes the events of Seymour s wedding day Raise High the Roof Beam, Carpenters Jerome David Salinger, 1974 *Raise High the Roof Beam, Carpenters and* Jerome David Salinger, 1963 **Raise High the Roof Beam, Carpenters** Jerome David Salinger (romancier.), 1972 *Raise High the Roof Beam, Carpenters ; Seymour* Jerome David Salinger, 1964 Raise High the Roof Beam, Carpenters, and Seymour Jerome David Salinger, 1971 **CLASSICS Raise High the Roof Beam, Carpenters, and** Jerome David Salinger, J.D. Salinger David Shields, Shane Salerno, 2013-09-03 Based on eight years of exhaustive research and exclusive interviews with more than 200 people and published in coordination with the international theatrical release of a major documentary film from the Weinstein Company The Private War of J D Salinger is a global cultural event the definitive biography of one of the most beloved and mysterious figures of the twentieth century For more than fifty years the ever elusive author of The Catcher in the Rye has been the subject of a relentless stream of newspaper and magazine articles as well as several biographies Yet all of these attempts have been hampered by a fundamental lack of access and by the persistent recycling of

inaccurate information Salinger remains astonishingly an enigma The complex and contradictory human being behind the myth has never been revealed No longer In the eight years since The Private War of J D Salinger was begun and especially in the three years since Salinger's death the authors interviewed on five continents more than 200 people many of whom had previously refused to go on the record about their relationship with Salinger This oral biography offers direct eyewitness accounts from Salinger's World War II brothers in arms his family members his close friends his lovers his classmates his neighbors his editors his publishers his New Yorker colleagues and people with whom he had relationships that were secret even to his own family Shields and Salerno illuminate most brightly the last fifty six years of Salinger's life a period that until now had remained completely dark to biographers Provided unprecedented access to never before published photographs more than 100 throughout the book diaries letters legal records and secret documents readers will feel they have for the first time gotten beyond Salinger's meticulously built up wall The result is the definitive portrait of one of the most fascinating figures of the twentieth century

J. D. Salinger Kenneth Slawenski, 2011-01-25 NATIONAL BESTSELLER The inspiration for the major motion picture Rebel in the Rye One of the most popular and mysterious figures in American literary history the author of the classic Catcher in the Rye J D Salinger eluded fans and journalists for most of his life Now he is the subject of this definitive biography which is filled with new information and revelations garnered from countless interviews letters and public records Kenneth Slawenski explores Salinger's privileged youth long obscured by misrepresentation and rumor revealing the brilliant sarcastic vulnerable son of a disapproving father and doting mother Here too are accounts of Salinger's first broken heart after Eugene O'Neill's daughter Oona left him and the devastating World War II service that haunted him forever J D Salinger features this author's dramatic encounters with luminaries from Ernest Hemingway to Elia Kazan his office intrigues with famous New Yorker editors and writers and the stunning triumph of The Catcher in the Rye which would both make him world famous and hasten his retreat into the hills of New Hampshire J D Salinger is this unique author's unforgettable story in full one that no lover of literature can afford to miss Praise for J D Salinger A Life Startling insightful a terrific literary biography USA Today It is unlikely that any author will do a better job than Mr Slawenski capturing the glory of Salinger's life The Wall Street Journal Slawenski fills in a great deal and connects the dots assiduously it's unlikely that any future writer will uncover much more about Salinger than he has done Boston Sunday Globe Offers perhaps the best chance we have to get behind the myth and find the man Newsday Slawenski has greatly fleshed out and pinned down an elusive story with precision and grace Chicago Sun Times Earnest sympathetic and perceptive Slawenski does an evocative job of tracing the evolution of Salinger's work and thinking The New York Times
