Enemies Halt! It Is Written! Tella Olayeri, 2021-12-28 The Lord is good in his infinite mercy to us This classic book is written to set people free from fear of the unknown and plant boldness in the heart This book is timely It will draw the hands of the Lord down so that we swim in his favor grace and mercy The book is loaded with great ideas that unravel the value of God's word with the phrase It is written The book is an eye opener that digs deep to the root of matters of challenge and experience grace of God When we say It is written the word of God doesn't go out and come back void When God says something he means it The wickedness of people is much They plan evil and execute it They look for ways to silence people without reason This book is out to bring abrupt end to such situation You don't joke with dark powers They are desperate to do evil and carry it out in a merciless way They forge satanic arrow with satanic guns and bullets They are heartless They are out to pull you down The answer is they will fail because It is written They will fail and bow out They will bend They are failures Rely on the word of God It is written which emanates from mouth of God The phrase It is written is reliable because human being can disappoint but God doesn't Human being can be jealous you at the point of breakthrough but God is always happy to finish what he started You can't be defeated or disgraced when God supports you He won't disappoint or betray you Whatever the number of the enemies that rise up against you shall fail because It is written This book expatiates more on this This is good news for those who buy this book and use it Every Goliath that boasts at you shall have his head cut off by the David in you The path of the enemy shall be slippery Their cloth will be in tatter Their wound will not heal Their source of income shall dry You shall rise and shine The Lord shall raise your hands for war and your fingers for battle This book can't be pushed aside as multiple gains will be reaped They include among others How the wicked shall be consumed by the pit they dig How weapons of darkness consume the manufacturers It is a book that liberates people from the claws of the enemy Every cry and tears in your eyes shall dry up It will break covenant of financial failure It reveals power of job breakthrough It treats dreams and its importance You will receive and attain financial liberty Anointing that flows and disgrace failure are treated in the book Marital breakthrough and joy are treated in the book Prayer that scatters powers of darkness are treated in the book *Project Summaries of the Center for Building Technology* Center for Building Technology, 1975
