ARIEL SHARON

AN INTIMATE PORTRAIT

"Uri Dan was closer to this great Israeli than any other adviser or unabashed journalistic supporter, and their 50-year collaboration comes through loud and clear in this insider's biography."

Ariel Sharon An Intimate Portrait:

Ariel Sharon Uri Dan, 2015-03-24 In 1954 reporter Uri Dan met a young military commander named Ariel Sharon and followed him closely for more than half a century. Dan became Sharon's trusted advisor and a witness to the defining moments of the Israeli-Palestinian conflict, from secret meetings with heads of state to open warfare in the Sinai. This riveting combination of political history, narrative biography, interviews, and correspondence sheds new light on the conflict in the Middle East and provides an intimate, definitive portrait of Ariel Sharon, a man whose life is inextricably intertwined with Israel's destiny. With Hamas governing Palestine, Ariel Sharon, gravely ill and the party he founded, the Kadima, in control of the Knesset, this book couldn't be more timely.

Be Strong and of Good Courage

Dennis Ross, David Makovsky, 2019-09-03 Modern Israel's founding fathers provided some of the boldest and most principled leadership of any nation; now Israel needs their example more than ever. Modern Israel's founding fathers provided some of the boldest and most principled leadership of any nation; now Israel needs their example more than ever. At a time when the political destiny of Israel is more uncertain than at any moment since its modern founding, *Be Strong and of Good Courage* celebrates the defining generation of leaders who took on the task of safeguarding the country's future. David Ben Gurion, Menachem Begin, Yitzhak Rabin, and Ariel Sharon were all present at the creation of the new nation in 1948. Over the next sixty years, each experienced moments when the country's existence was directly imperiled. In those moments, Israel needed extraordinary acts of leadership and strategic judgment to secure its future, and these leaders rose to the occasion. The strength they showed allowed them to prevail. Today, Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure. This is the story of that epic struggle.

The Political Psychology of Israeli Prime Ministers

Yael Aronoff, 2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors. It takes as an intellectual target of opportunity six Israeli prime ministers, asking why some of them have persisted in some hard line positions, but others have opted to become peacemakers. This book argues that some leaders do change, and above all, it explains why and how such changes come about. This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign policy, especially toward a long-standing enemy. Although no hard liner can stand completely still in the face of important changes, only those with ideologies that have specific components that act as obstacles to change, and who have an orientation toward the past, may need to be replaced for dramatic policy changes to take place.

Israeli Foreign Policy

since the End of the Cold War Amnon Aran, 2020-12-17 The first study of Israeli foreign policy towards the Middle East and selected world powers since the end of the Cold War to the present.

Cultures of Counterproliferation

Raphael Ben-Levi, 2023-10-20 This book argues that the nature of counterproliferation strengthens the effect of cultural factors in policy choices and illustrates this by focusing on US and Israeli policy toward the Iranian nuclear program. The United States

and Israel have been the two states most active in opposing Iran's nuclear ambitions however the respective strategies of each of these states have changed repeatedly This book explores how competing cultural schools of thought on grand strategy within each state inform and shape the key policy decisions in their attempts to prevent a nuclear Iran Drawing on numerous interviews conducted with former high level officials in each country as well as published memoirs this book first describes in detail the belief systems of the competing schools and then analyses the internal debates and key decisions on policy toward the Iranian Nuclear Program while critically assessing the extent to which these beliefs influenced policy in the face of material structural pressures This in depth analysis of the internal debates and dilemmas within the national leadership of the two states most prominent in the effort to prevent a nuclear Iran constitutes an indispensable guide for scholars and policymakers who will inevitably face similar dilemmas in dealing with this ongoing challenge and additional cases of nuclear proliferation around the world This book will be of much interest to students of nuclear proliferation US and Israeli foreign policy Middle Eastern politics and IR in general *Israel/Palestine and the Politics of a Two-State Solution* Thomas G. Mitchell,2013-05-21 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland's constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis *Sharon (Enhanced Edition)* Gilad Sharon,2011-10-25 Gilad Sharon the prime minister's youngest son and close confidant has combed through his father's vast archive to offer a rare intimate and compelling look at one man's evolution into one of the world's most powerful and influential figures Filled with news making revelations nine exclusive videos and 6 exclusive audio clips the enhanced e book of Sharon provides a rare window into the day to day life of a prime minister as well as a dazzling portrait of a legendary elder statesman and the nation he helped build The book may take longer to download than expected due to its large file size *Jewish Book World* ,2006 *American Book Publishing Record* ,2006 **The Book Review Digest** ,2006 *The Economist* ,2006 *The British National Bibliography* Arthur James Wells,2009 *Global Flashpoints* Leo Panitch,Colin Leys,2007 New forces of resistance have emerged to both American imperialism and neoliberalism But how far do these forces represent a progressive alternative This volume surveys the key flashpoints of resistance today The main arena of resistance to imperialism is the Middle East Six essays explore the

ambivalent nature of Islamic anti imperialism and the West's crucial role in making it so significant as well as the different forms it takes as a political creed and they provide particular insight into the relationship between religion and politics today in Iraq Palestine and Turkey 2007, *Booknotes Stories From American History Leading Historians On The Events That Shaped Our Country* Brian Lamb,2001 Contemporary writers and historians examine specific events that have shaped American history from the Boston Tea Party to the final days of the first Bush administration

Booknotes Brian Lamb,1998 Features over 150 interviews with contemporary authors from C SPAN's weekly book review television program Booknotes The authors discuss their preparation methods for writing their idiosyncrasies and provide personal insights into their work *Annual Index* ,2006 *The Publishers Weekly* ,1990 **Present Tense** ,1982 The magazine of world Jewish affairs **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
