Economics of the Environment Robert N. Stavins, 2019 Economics of the Environment Seventh Edition is a compendium of the best most timely articles by a dream team of environmental economists together with an original introductory chapter by the editor Now in its seventh edition Economics of the Environment serves as a valuable supplement to environmental economics text books and as a stand alone reference book of key up to date readings from the field Edited by Robert N Stavins the book covers the core areas of environmental economics courses as taught around the world and the included authors are the top scholars in the field Overall more than half of the chapters are new to this edition while the rest have remained seminal works

Award-winning Case Studies 2015 Katrin Muff, 2024-11-01 Breaking with academic tradition this journal offers a unique selection of articles that are written by looking at the future challenges first and then translating these into present times The right aligned layout is a material way of reminding us of the fact that no problem can be solved from the same level of consciousness that created it A Einstein The journal provides hands on pragmatic and user friendly research suggestions and case studies as a resource for organisations that are committed to implementing sustainability It is high time to build bridges between business and academia with the clear purpose of helping business become truly sustainable There are four dimensions to the journal 1 Understand sustainability challenges 2 Specific dimensions of business sustainability 3 Exciting new solutions to implement 4 Case studies of leading business examples In addition produced is a special issue annually dedicated to an important theme This is a special Issue of Building Sustainable Legacies

Handbook of Special Education James M. Kauffman, Daniel P. Hallahan, Paige Cullen Pullen, 2017-05-25 The purpose of the Handbook of Special Education is to help profile and bring greater clarity to the already sprawling and continuously expanding field of special education To ensure consistency across the volume chapter authors review and integrate existing research identify strengths and weaknesses note gaps in the literature and discuss implications for practice and future research The second edition has been fully updated throughout to take into account recent changes to federal laws as well as the most current academic research and an entirely new section has been added on research methods in special education

Measuring Museum Impact and Performance John W. Jacobsen, 2016-03-15 Based on extensive research and decades of experience museum analyst and planner John W Jacobsen provides both the theoretical underpinnings and the operational pragmatics of measuring any museum s intentional impact and performance by using 1025 indicators drawn from 51 expert sources Measuring Museum Impact and Performance Theory and Practice provides museum professionals internationally with a clear very open process that will improve their museum s value and performance by selecting indicators that monitor whether they are realizing their desired public private personal and institutional values

The book is not prescriptive but liberating as the framework recognizes that each museum needs to decide on its own purposes and priorities The book is organized in two parts Part 1 Theory is scholarly and builds on the museum field's rich literature and Part 2 Practice provides step by step methods for any museum to set up its own dashboard of prioritized impact and performance indicators Substantive attachments include the list of the 51 source documents for the MIIP indicators definitions of terms and data fields a long list of precedented museum impacts measurement formulas and worksheet templates filled in for a sample museum and the MIIP 1.0 database available online Readers will get the following benefits A literature review of prior work on measuring museum value An analysis of eleven well established evaluation frameworks that synthesize into a revolutionary yet practical Museum Theory of Action A robust and searchable menu of 1025 existing and aspirational indicators the MIIP 1.0 database that you can use to start your own selection An analysis of the MIIP database using the Theory of Action that reveals 14 areas of potential museum impacts and benefits A process to select and prioritize your museum's intentional purposes and desired impacts A process to determine measure and compare your museum's key performance indicators KPIs A process to set up and conduct peer museum comparisons Procedures and examples of how to capture and report data used in your selected indicators Principles for using indicator data to inform museum management decisions
