**ACLS Certification Exam Q A With Explanations** will certainly help you pass any Advanced Cardiac Life Support Certification Course. As you look through the book, you will quickly see that this book's format is different from all other review and test preparation books. It's like having a professor sitting right next to you as you study. This book is specifically geared toward healthcare students and new healthcare professionals that are preparing to take the ACLS certification exam for the first time. This book will also give the seasoned healthcare professional lots of great review information as well as a way to update themselves on the latest research and guidelines. Whichever certifying agency's program you are taking either in a classroom or on the internet, this book and its contents will help you succeed in this course. In this book, we give you all the essential information that you will need to successfully pass the certification course and exam on your first attempt.

Joe and I have been teaching this course to healthcare professionals and students since 1984. We know what works and what doesn't when it comes to helping our students be successful. We had to develop almost all of the study materials for our students by ourselves because very little existed at the time. The *Zombie Notes Study Charts* were some of the first study aids we developed to help our students learn a large amount of information very quickly. We know that this format works very well because hundreds of thousands of healthcare professionals and students in hospitals and colleges all over the world have used this handy, no-nonsense chart to help them successfully pass the ACLS certification exams. Therefore, in order for you to be successful on the certification exam and on the job, we expect you to memorize every bit of information contained within the *Zombie Notes Study Charts* and within this book. It is essential that you know this information by heart and can recall it at a moment's notice. This information is not only essential for the exam but for your career and the survival of your patients as well.

*ACLS Advanced Cardiac Life Support Exam Practice Questions and Dumps* Aiva Books, The AHA's ACLS course builds on the foundation of survival BLS skills, emphasizing the importance of continuous high-quality CPR. Reflects science and education from the American Heart Association Guidelines Update for CPR and Emergency Cardiovascular Care (ECC). Here we've brought the best exam practice questions for you so that you can prepare well for this exam. Unlike other online simulation practice tests, you get an Ebook version that is easy to read; remember these questions. You can simply rely on these questions for successfully
