Histories Leah Lui-Chivizhe, 2022-07-05 Masked Histories celebrates the remarkable Torres Strait Islander turtle shell masks that were taken or traded by Europeans throughout the nineteenth century. Displayed as curiosities or art in museums and galleries around the world, the Islander knowledges they held were silenced. Delving into old stories from both Islanders and the foreigners who had travelled to the region, Lui Chivizhe reanimates the masks with their Islander meaning and purpose, and in so doing powerfully recreates the past. Masked Histories advances a vivid new history, uncovering the

profound importance of the turtle shell masks to all Islanders and revealing much about the people who created them
