**Hold All Things in Common** Kathy Eden,2008-10-01 Erasmus Adages a vast collection of the proverbial wisdom of Greek and Roman antiquity was published in 1508 and became one of the most influential works of the Renaissance It also marked a turning point in the history of Western thinking about literary property At once a singularly successful commercial product of the new printing industry and a repository of intellectual wealth the Adages looks ahead to the development of copyright and back to an ancient philosophical tradition that ideas should be universally shared in the spirit of friendship In this elegant and tightly argued book Kathy Eden focuses on both the commitment to friendship and common property that Erasmus shares with his favorite philosophers Pythagoras Plato and Christ and the early history of private property that gradually transforms European attitudes concerning the right to copy In the process she accounts for the peculiar shape of Erasmus collection of more than 3 000 proverbs and provides insightful readings of such ancient philosophical and religious thinkers as Pythagoras Plato Aristotle Cicero Iamblichus Tertullian Basil Jerome and Augustine      Activating God's Power in

Matriarchs in Genesis Rabbah Katie J. Woolstenhulme,2020-12-10 Katie J Woolstenhulme considers the pertinent questions Who were the matriarchs and what did the rabbis think about them Whilst scholarship on the role of women in the Bible and Rabbinic Judaism has increased the authoritative group of women known as the matriarchs has been neglected This volume consequently focuses on the role and status of the biblical matriarchs in Genesis Rabbah the fifth century CE rabbinic commentary on Genesis Woolstenhulme begins by discussing the nature of midrash and introducing Genesis Rabbah before exploring the term the matriarchs and its development through early exegetical literature culminating in the emergence of two definitions of the term in Genesis Rabbah the matriarchs as the legitimate wives of Israel s patriarchs and the matriarchs

as a reference to Jacob's four wives who bore Israel's tribal ancestors. She then moves to discuss the matriarchal cycle in Genesis Rabbah with its three stages of barrenness, motherhood and succession. Finally Woolstenhulme considers Genesis Rabbah's portrayal of the matriarchs as representatives of the female sex, exploring positive and negative rabbinic attitudes towards women with a focus on piety, prayer, praise, beauty and sexuality, and the matriarchs' exemplification of stereotypical negative female traits. This volume concludes that for the ancient rabbis the matriarchs were the historical mothers of Israel, bearing covenant sons but also the present mothers of Israel, continuing to influence Jewish identity. **Activating God's**

**Power in Cat** Michelle Leslie, 2015-08-10. Do you want to pray with power and see results? Readers of *Activating God's Power* by Michelle Leslie will learn what to pray and to confidently claim answers to prayer. This personalized book is a guide to praying according to God's Word. You will discover hundreds of Scripture-based prayers for all of life's situations, from finding your identity in Christ to awakening God's favor in your life to overcoming the trials of life with spiritual warfare. When we meditate on the word and speak it, we are activating God's power. God's word brings life and creates a spiritual mindset that changes us and the world around us. Romans 12:2. As you put these mighty scriptural prayers to work in your own life and in the lives of those around you, you will see God moving and activating his Word. You no longer need to feel helpless in the face of difficult or painful circumstances. You no longer need to miss God's blessings for you and your loved ones. You can pray with power. Nothing is more powerful than God. The faith produced from this book will lead to results not just for ourselves but for the lives around us. **Now**

**More Than Ever** Bernfried Nugel, 1996. The aim of the International Aldous Huxley Centenary Symposium held at the University of Münster from 26 to 29 June 1994 was to discuss Huxley's mature achievement as a modern writer and thinker, concentrating on his later works from the thirties onwards. The Proceedings comprise 21 essays by European, American and Asian Huxley experts arranged in six thematic groups: viz Biography, Genre and Beyond, Society and Politics, Aldous Huxley's Critique of Pure Utopian Thought, Religion and Philosophy. The volume opens with an hitherto unpublished memoir of Huxley by a well-known fellow writer, Robert Payne, dating back to 1948, and several contributors draw on rediscovered Huxley material such as essays written in the thirties, the typescript of his last *Utopia Island* and his unpublished play *Now More Than Ever* (1932). Two indices of names and terms facilitate access to the present state of Huxley scholarship. **Activating**
