Azelina Flint,2021-07-29 In an unprecedented comparison of two of the most important female authors of the nineteenth century Azelina Flint foregrounds the influence of the religious communities that shaped Louisa May Alcott s and Christina Rossetti s visions of female creativity In the early stages of the authors careers their artistic developments were associated with their patrilineal connections to two artistic movements that shaped the course of American and British history the Transcendentalists and Pre Raphaelites Flint uncovers the authors rejections of the individualistic outlooks of these movements demonstrating that Alcott and Rossetti affiliated themselves with their mothers and sisters religious faith Applying the methodological framework of women s mysticism Flint reveals that Alcott s and Rossetti s religious beliefs were shaped by the devotional practices and life writing texts of their matrilineal communities Here the authors iconic portrayals of female artists are examined in light of the examples of their mothers and sisters for the first time Flint recovers a number of unpublished life writings including commonplace albums and juvenile newspapers introducing readers to early versions of the authors iconic works These recovered texts indicate that Alcott and Rossetti portrayed the female artist as a mouthpiece for a wider community of women committed to social justice and divine communion By drawing attention to the parallels in the authors familial affiliations and religious beliefs Flint recuperates a tradition of nineteenth century women s mysticism that departs from the individualistic models of male literary traditions to locate female empowerment in gynocentric relationships dedicated to achieving a shared revelation of God     **It's Good To Be Here** Christina Chase,2019-11-21

Crippled though she is author Christina Chase s fearful disabilities have led her not into anger bitterness or despair but rather into a profound and exceptional encounter with God s love itself an encounter that you too can experience through the gentle allure of Christina s witness     **Vulnerability and Flourishing** Lledo Gomez, Christina,Sheveland, John

power In A Powerful Presence Fitzgerald analyzes Bethel culturally and theologically by interacting with thinkers such as Charles Taylor Jürgen Moltmann and James Dunn Dr Fitzgerald brings his insights to bear for an appreciative but not uncritical look at Bethel Church This book offers new learnings and opens new pathways for churches and leaders to regain their apostolic footing in today's modern world

Women in Ancient Egypt Mariam F. Ayad, 2022-11-15 Cutting edge research by twenty four international scholars on female power agency health and literacy in ancient Egypt There has been considerable scholarship in the last fifty years on the role of ancient Egyptian women in society With their ability to work outside the home inherit and dispense of property initiate divorce testify in court and serve in local government Egyptian women exercised more legal rights and economic independence than their counterparts throughout antiquity Yet their agency and autonomy are often downplayed undermined or outright ignored In Women in Ancient Egypt twenty four international scholars offer a corrective to this view by presenting the latest cutting edge research on women and gender in ancient Egypt Covering the entirety of Egyptian history from earliest times to Late Antiquity this volume commences with a thorough study of the earliest written evidence of Egyptian women both royal and non royal before moving on to chapters that deal with various aspects of Egyptian queens followed by studies on the legal status and economic roles of non royal women and finally on women's health and body adornment Within this sweeping chronological range each study is intensely focused on the evidence recovered from a particular site or a specific time period Rather than following a strictly chronological arrangement the thematic organization of chapters enables readers to discern diachronic patterns of continuity and change within each group of women

 Emerson to date a survey that approaches Emerson from the vantages of climate change racial justice print culture the  
 digital humanities the new religious studies hemispheric American Studies health humanities and affect theory among other  
 critical perspectives Curated between a forward by editor Christopher Hanlon who makes the case for a capacious and  
 contemporary Emerson and Cornel West the activist scholar whose influential work on Emerson merges with a career of  
 advocacy for economic and racial justice this collection assesses the history and state of Emerson scholarship while charting  
 pathways for new work on this most essential American writer Comprised of new works by leading figures in nineteenth  
 century Americanist literary studies the volume suggests directions into underexamined facets of Emerson s writing life and  
 reputation From Emerson s engagements with energy infrastructure and the processes of extraction that undergirded the  
 locomotives he rode and the energy economies he sometimes extolled to the vicissitudes of age he experienced alongside the  
 romantic tropes of youthful vigour he both re circulated and re tooled to Emerson s poetry both in its philosophical  
 formulations and in its reflections of the material circumstances of nineteenth century print culture to Emerson s resonance  
 beyond the United States elsewhere in the western hemisphere to the Black press and its refractions of Emersonian  
 transcendentalism in the midst of ante and post bellum justice struggles to the legacies of Emerson to be found in the  
 writings of W E B Du Bois James Baldwin Rachel Carson and in the versions of Emerson to be found in children s literature to  
 his often fraught and often fruitful engagements with reform movements of various sorts to the prospects for digital  
 processes of re reading Emerson and his contemporaries styles of textual production and engagement The Oxford Handbook
