Acting Manual:

Beyond the Moon Adam Hill, Michael Schreiber, 2013-12-29 While many teachers claim that they teach the one and only valid approach to acting Adam Hill encourages students to learn the complete craft and to never stop studying. In *Beyond the Moon* he delivers impassioned, insightful and easy to understand guidance that will propel any actor to their next level of excellence, from beginner to seasoned vet as long as they are willing to take responsibility and DO THE WORK. What makes Adam Hill the best acting teacher I've ever had? He is craft smart as well as show business savvy. He demands excellence from his actors while never being cruel. He has the unique ability to make the finest actor even better. Brad Garrett: Everybody Loves Raymond Preparation, passion, education and taking responsibility are the keys to your success as an actor. Adam Hill: From *Beyond the Moon*. A method is an opinion. Learn as many approaches and acting tools as possible, then find the ones that work best for you. You will have developed your own method. Have a teacher who is going to support you. Respect your teachers but do not make gurus out of them. Find someone who you feel has a sensitivity to people and a life awareness. Find someone who teaches with love and not out of anger or resentment. For the advanced actor, study with the teacher who can help you overcome your weaknesses. For example, if you have problems with your emotional instrument, study with a Strasberg teacher. If you are inconsistent being in the moment, study with a Meisner teacher, etc.

Workshop Ana Valdes-Lim, 1997 **Changing Circumstances** Lorinne Vozoff, 2000 *Changing Circumstances* builds actors' versatility by altering the plots of eight original two-character scenes but not the lines.

Ed Hooks, 2004 From a veteran actor, teacher and author here is a quick reference guide aimed at working actors. Got a funny scene that doesn't seem very funny? Look up comedy. Got a scene in which you're supposed to cry? Look up cry. Each entry includes a brief introduction to the topic followed by several pages of short bulleted tips or field notes that offer quick solutions to any acting problem. In addition, there are brief essays throughout that expand on some of the trickier aspects of the actor's craft. Edgy, concise and infinitely helpful, no working actor will want to be without this one-of-a-kind guide. There are 100,000 members in actors' unions in the US with a 50% turnover. Unique quick reference guide for busy actors. Advice on everything from rehearsals to auditioning and memorizing lines. Author has trained thousands of actors, including Heather Locklear and Teri Hatcher. Advertising in *Back Stage* magazine.
