Apocalypse Survival T. Gordon Larsen,2016-01-28 This

is a manual for Evangelical Christians who anticipate the second coming of Jesus Christ and understand that they may be called upon to endure some of the hardships of the End Times. It takes the genre of survival literature up a notch by addressing the moral, ethical and doctrinal questions that Christians should consider in planning for existential challenges in an uncertain future. The author doesn't reinvent the wheel on common survival issues but covers items of interest to Believers who want to develop a survival strategy that deals with the world as they find it yet is consistent with their faith. Among these are Does charity really begin at home? Is it righteous to use lethal force in defense of yourself and others? Does subscribing to the Pre Tribulation Rapture mean that Believers need not be concerned about coping with the End Times?
