

The background of the entire image is a soft, painterly illustration of a park. A light-colored path curves from the bottom right towards the center. On the left side of the path, there are two wooden benches with black metal frames. The ground is covered with green grass and scattered pink and white flowers. Several trees with green foliage are scattered throughout the scene, some in the foreground and others in the background. The overall color palette is soft and naturalistic.

*A Family Affair: Bonus Scenes* Mary Campisi, 2019-02-16 I love reading bonus scenes or watching bonus clips on television If someone told me I could read about or watch Mr Darcy and Elizabeth Bennet get married I would be beyond excited Imagination is great but there are times when I don t want to imagine or guess I want to know I even want to know when storylines change and what might have been That s why I m providing bonus scenes and extras from several of the A Family Affair books I loved writing these scenes and now I want to share them with you Enjoy Nate Christine s Wedding A Family Affair Wouldn t you like to know what Nate

Desantro was thinking right before he married Christine For a man of few words there was a lot going on in his head And how about discovering Harry Blacksworth s thoughts as he prepares to give Christine away That s definitely one you won t want to miss Lily is still one of my favorites and she ll warm your heart with her innocent and yet spot on observations about the wedding life and love in Magdalena Always a Heartbeat Away A Family Affair Summer I started A Family Affair Summer several times as I tried to get a feel for Tess and her backstory I knew it would involve heartache just as I knew that deep down she still loved Cash But the rest I wanted to find a way to take her as far from the life she thought she d have as possible Initially that involved a calm quiet man and a dog named Henry That storyline changed and I decided not to use it but it s a great bonus scene to let you see the possibilities maybe even wonder how the story might have been different Who is Sasha Rishkov A Family Affair The Secret What if Angie Sorrento s father turns up in Magdalena to visit his daughter and risks running into the only woman he s ever loved Angie s mother the one she thought died years ago He ll come so close to discovering the truth The Future Godfather A Family Affair The Wish This is a conversation you won t want to miss Pop tells Harry that when the time comes Harry will be the new Godfather of Magdalena and he ll make a darn good one Of course Harry doesn t agree When Harry meets Stephanie A Family Affair The Gift Harry Blacksworth is nobody s fool and while he might once have been the playboy good for nothing younger brother of Charles he s come into his own as a well respected and generous member of Magdalena s community When Cash and Tess hit a roadblock named Stephanie Richmond Harry s not going to let anything jeopardize their happiness Don t miss When Harry Meets Stephanie and read firsthand how he deals with the woman who thinks she can leverage a child to gain security The Real Stephanie Richmond A Family Affair The Gift And because first drafts and ideas change I m including a scene I once considered using for the storyline In this version Stephanie isn t as soft and guileless as she appears in the final version of the book but straightforward and intent on letting Cash know exactly what she wants While I like the final outcome this is still an interesting read and portrays Stephanie Richmond s true personality Who s in the Cabin A Family Affair The Cabin Nate and Christine Desantro head to the cabin one last time before they sell it and discover an uninvited guest Elissa Cerdi has snuck away to the Blacksworths cabin for quiet and a chance to consider her future with or without a controlling ex boyfriend Her innocent and trusting ways prevent her from seeing that she s put herself in danger by choosing a secluded cabin Of course Nate and Christine aren t about to risk her safety even if she was Gloria Blacksworth s friend and confidante

**Paradise Found** Mary Campisi, 2012-12-08 Sometimes we're lucky enough to get that second chance in life and in love. That Second Chance Series are stand-alone stories of strong women who battle heartache and loss with a courage and determination to find new paths and true love. What ties them together? A common theme: belief in the beauty of that second chance. *Paradise Found* is Book Four of That Second Chance Series. How does one see truly with the heart or with the eyes? Matt Brandon has it all: wealth, power, looks, and talent. Women want him; men want to be like him. When a freak ski accident strips him of one of life's most basic needs, his sight, he struggles to accept the possibility that his blindness may be permanent. Enter psychologist Sara Hamilton, a woman who has known her own share of grief and loss and may just be the one person who can help Matt redefine his new world. Sara is every woman's woman; she's not a toothpick or a Cosmo girl; has never been prom queen or dated the blond-haired god with the big white teeth. She's honest and decent and real and lives on the perimeter, applauding her patients' successes, nursing them through their failures, but never acknowledging or accepting what she lacks in her own life. She's loved and lost once and has been so emotionally scarred she's not willing to risk those feelings again. Of course she's never met a man like Matt Brandon. As Matt and Sara explore the delicate balance between blind trust and hope, they will discover that sometimes you have to lose everything to find what you are truly looking for.
