

# Rain Forests

They're really half a world away,  
There's nothing we can do.  
"Rain Forests" might be just two words  
To kids like me and you.

They're really somewhere over there.  
I may not even see  
**A Rain Forest** in my entire life.  
What should it mean to me?

I know that in these **Rain Forests**  
That I may never see,  
Half the world's plants, animals and insects  
Live in harmony.

I know that trees are being cut,  
Faster than we know.  
These trees are where the creatures live,  
So now where will they go?

So, I know they're half a world away,  
**Rain Forests** I can't see.  
But I can learn and understand  
Because the future starts with me!

You can make a difference.
