IEPs and CCSS: Specially Designed Instructional Strategies Toby Karten, 2013-01-01 The Common Core State Standards which have been adopted in most states in the country delineate the skills and knowledge that students are expected to possess at each grade level K 12 in order to be college and career ready CCR by the time they graduate high school They are designed to ensure that ALL American students including students with disabilities receive a high quality education that positions them for lifelong success In IEPs CCSS Specially Designed Instructional Strategies author Toby Karten presents a variety of specially designed instructional strategies and interventions that teachers and IEP team members can use to connect the individualized education programs IEPs of students with disabilities to the Common Core State Standards CCSS This six page tri fold laminated guide offers a side by side outline of the required components of an IEP and the criteria for instruction according to the CCSS Karten explains that when developing a student s IEP the IEP team should include both individualized goals the behaviors skills tasks the student is expected to learn and the grade level standards of the CCSS The guide offers examples of accommodations and instructional supports to include in a student s IEP to help him her meet IEP goals as well as math and literacy standards Specially designed instruction may include among other things the involvement of additional service providers instructional strategies based on universal design for learning UDL principles assistive technology devices and services incorporating the students interests and strengths Five scenarios are provided to demonstrate a variety of ways instruction can be individualized for students with specific classifications strengths and interests The guide also outlines a step by step approach for helping students with IEPs achieve the standards Additional online and print resources are also included making this guide a valuable quick reference tool for IEP team members

Common Core and the Special Education Student Mary Schillinger, Becky Wetzel, Brandie Rosen, 2014 Hands on guidance and staff development tools in this comprehensive resource on the Common Core written specifically for special educators goes beyond explaining what the Common Core standards are to show you how you can help students with disabilities access and achieve under them The guide shows you how to create IEPs and write IEP goals that align with CCSS provide accommodations that address student deficits while preserving CCSS plan and implement professional development for special education staff use technology tools to help special education students access the CCSS plan project based learning lessons within special education pull out settings and assess and strengthen students academic vocabulary and executive functioning skills

S. M. A. R. T. E. R. STEPS(tm) GUIDE to CREATING Smarter IEP GOALS Phd CCC Wakefield, Med Mhs CCC Ott, 2016-11-28 The Individualized Education Program process is familiar to any educator in special education but the details of the system may not have been fully explored IEPs allow for disabled students to receive a quality education and individualized learning It is imperative for educators to follow the mandates outlined for IEPs The S M A R T E R STEPS TM GUIDE TO CREATING SMARTER IEP GOALS serves as a way to check the legal compliance of IEP goals and

train educators to work toward this compliance It outlines the thirteen federal mandates related to IEP goals and presents information and research in a simple easy to understand format Included appendices help test readers on their new knowledge with a quiz worksheet reflection page and additional resources Authors Kelly Ott MEd MHS CCC SLP and Lara Wakefield PhD CCC SLP focus on how important it is not only for educators to have this information but for administrators as well Too much time and energy is lost in miscommunications between the two different groups When you add in concerned parents the focus may shift away from the students and lead to personality clashes With a solid foundation for IEPs and a thorough understanding of the mandates these conflicts can be avoided **IEP Goals that Make a Difference** Carol
