Here is a concise inviting introduction to the greatest of the early Christian missionaries the Apostle Paul his life his letters his thinking and the life transforming gospel he proclaimed. Readers will find this book academically stimulating theologically rich and personally challenging. It highlights the ways Paul's life and thinking differ from and challenge the life and thinking of Christians today. Written in nontechnical language for both Christian students and general Christian readers this book the result of a lifetime of studying and teaching Paul's letters will be helpful to all students and teachers of the Bible who want a deeper understanding of Paul his theology and the implications of his powerful letters for Christians today.

**The Divine Heartset** Crispin Fletcher-Louis, 2023-11-21. The fruit of a decade's research this volume offers a new interpretation of the dense Christological narrative in Philippians 2 6-11 taking inspiration from recent advances in our understanding of the letter's Greek and Roman setting and from insights made possible by recently created linguistic databases such as TLG and PHI. The passage's praise of Christ engages the language of Hellenistic ruler cults Platonic metaphysics and moral philosophy popular Homeric beliefs about the gods and Greek love eros to articulate a scripturally grounded theology in which God is revealed to be one in two persons God the Father and LORD Jesus Christ. The volume also explores hitherto unseen ways in which the central Christ Hymn is tightly connected to the rest of Paul's argument. The hymn presents Christ as an epitome of the ideals of Greek and Roman virtue to support Paul's summoning his readers to a life of praiseworthy and exemplary civic conduct in 1-27. New or recently proposed translations are advanced for numerous words and phrases in e.g. 1 8-11 27 2 3 4 6-11 3 2-4 and a new non Stendahlian approach to Paul's boasting in 3-4 6 that is Christological rather than biographical is put forward.

Growing in Holiness through the Psalms David J. McKinley, 2023-04-05. In a confused world with moral decay we need clear direction for godly living. While the mention of holiness is not commonly heard these days the Psalms call us to cultivate holy lives in today's society. The psalmists not only teach us how to grow in holiness but they draw us into their own rich experiences. The author explores the Psalms to give us a perspective on the nature of holiness and the many important ways we can grow in holiness. The Psalter serves as an invaluable guide for our spiritual formation as followers of Jesus Christ.

*Enabling Fidelity to God* Jason A. Whitlark, 2008. The primary focus of this book is to demonstrate how Hebrews represents in view of its historical and religious context human fidelity to God. Thus the basic thesis is twofold. First with regard to the divine human relationship in the ancient Mediterranean world the belief in the reciprocity rationale was one primary dynamic for establishing fidelity to a relationship and has been applied by some scholars such as David deSilva to Hebrews as the way to understand its strategy for creating perseverance. A major problem with the application of this dynamic is that a common optimistic anthropological assumption is associated with the various reciprocity systems in the ancient world both Jewish and pagan. This assumption is required if

reciprocity is to be effective for establishing ongoing fidelity Second there was however a middle Judaic stream that can be traced from the period of the exile which held to a pessimistic anthropology This anthropological assumption crippled the perceived success of reciprocity to secure fidelity Thus the solution to God s people s inability to remain faithful was an act of God that transformed the human condition and enabled faithfulness to the relationship The argument of this book is that Hebrews with its emphasis upon the inauguration of the new covenant by Jesus high priestly ministry belongs to this latter stream of thought in understanding how fidelity is secured between God and his people Hebrews thus implicitly rejects the rationale of reciprocity for fidelity The implications of this offers a fresh perspective on the soteriology of Hebrews Words of Truth.
